

# STROKE LEARNING GROUP PRESENTS: STROKE AWARENESS MONTH WEBINAR

**Deb Russell** is bridging the gap between business and disability. She has devoted the past 7 years growing her company which connects employers with the disability community. In 2014, Deb had an ischemic stroke. Her recovery lasted about 2 years and she is grateful for the incredible support she received to be able to return to work.

**Mary Gee** will lead a guided relaxation, physical movement, and strengthening of the mind-body connection. Her practice as an occupational therapist and yoga instructor gives her unique insight into the world of stroke recovery. She is passionate about helping people of all ages and abilities regain independence and quality of life.
