

Balance/Neuro Clinic 2020

***Includes COVID safety Procedures**

***Clinics incorporate live & video sessions.**

WHAT IS THE Balance/ NEURO CLINIC?

The Balance/Neuro Clinic is the combination of **FREE** physical therapy clinics for persons with neurological disabilities. Weekly sessions are conducted by second year DPT students with PT faculty supervision.

WHO CAN PARTICIPATE?

Any adult with a neurological diagnosis who has physician permission is welcome.

WHEN ARE THE NEURO CLINIC?

Choose from 4 clinic sessions! Each clinic is 1.5 hours long on Tuesdays & Thursdays.

Session 1A: Red Clinic: September 1 – September 15th on Tuesday & Thursday early afternoons. **Some sessions may take place using a web platform.*

Session 2B: Green Clinic: September 1 – September 15th on Tuesday & Thursday late afternoon/evenings. **Some sessions may take place using a web platform.*

Session 3C: Orange Clinic: September 17th – October 13th, on Tuesday & Thursday early afternoons. **Some sessions may take place using a web platform.*

Session 2D: Blue Clinic: September 17th – October 13th, on Tuesday & Thursday late afternoons/evenings. **Some sessions may take place using a web platform.*

WHERE IS THE NEURO CLINIC?

The campus of Rosalind Franklin University at 3333 Green Bay Rd in North Chicago, IL.

WHAT ARE SOME PROGRAM SPECIFICS?

You will work with a team of 3 Doctor of Physical Therapy students supervised by licensed Physical Therapist faculty members. The students will conduct a physical therapy assessment on the first session and then work with you to develop goals and a treatment plan to meet the goals over the course of the remaining sessions.

HOW DO I SIGN UP TO PARTICIPATE Or get more information?

Contact: Julie Schwertfeger, PT, Ph.D. DPT, MBA, CBIST Phone: 847-578-8730
Balance Clinic Coordinator E-mail: Julie.Schwertfeger@rosalindfranklin.edu

Please note that space is limited in this popular program and there was a waiting list for last year's clinic. Early sign-up is encouraged.
