Our mission at the stables is to create a meaningful and memorable experience between the horse and horse lover.

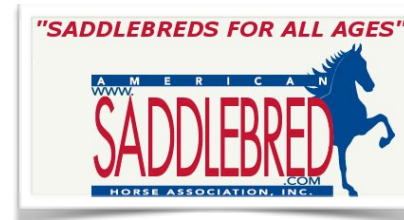

We believe that people who are passionate about horses are kindred spirits. Children and adults alike, who learn to ride, care for and show horses acquire unparalleled life and leadership skills.

We are dedicated to teaching students how to do the following:

- Cell phones are not allowed in the stables at anytime unless authorized by the owner or instructor of the barn. Please leave your cell phone in your car or you may check it in at the stable store. We are very strict about this policy, because we want to ensure the safety of all riders and horses.
- The La Fleur family is the only tenant on the property please do not "visit" the home on the property. All horse related issues will be addressed either at the barn or by phone during business hours.
- Respect and properly care for all horses.

### Stables—

- Drive slowly when entering the driveway
- Year around Riding Programs are given in our heated indoor arena or in one of our unique multiple outdoor riding venues. We are able to ride in any kind of weather Wisconsin brings our way!
- Do not feed any horse but your own without owner's permission. Do not allow your horse to "sniff noses" with other horses, as this can lead to injuries.
- Each person will implement any instructions or suggestions for safety made by our staff. The Stables is here to create a welcoming and safe environment for all of our riders and visitors. If there is a question or concern it is expected that you will bring it to the attention of the owners and or staff rather than taking it to another boarder or client.

- Refrain from bragging which could lead to hurting someone's feelings.

Instead, have a conversation with that person and work out your differences. Before you say anything, ask yourself these questions: Is it kind? Is it True? Is it hurtful? Is it necessary?)
- Due to safety concerns, please do not feed or pet the horses through their stall bars. This rule is for your protection, so please respect it.

- **Starting June 1, 2019, the Stables policies will go into effect. The new policies are part of a congressional requirement mandating United State Equestrian Federation (USEF), as well as other amateur sports organizations and governing bodies, to implement policies and procedures that limit one-on-one interactions between minor athletes and adults who are not their parent/legal guardian. We designed these policies to work for equestrian sport, but please recognize that they are based on the uniform policies developed by the U.S. Center for SafeSport that will further protect minor athletes, under federal law. If a child is left alone with adult that isn't their parent/guardian they must have permission and pay the "DAYCARE" fee packages.**
- **Communication through Texting/Email must be done with all parties -- Parent/Guardian, child, and trainer/instructor. These policies are designed to protect minors and adults, and other sports governing bodies across the country are enacting similar measures.**

- Treat others the way you want to be treated. (Would you want someone to criticize your appearance, clothes, or how you ride?)
- Refrain from loud, boisterous talk, inappropriate language, and other unbecoming conduct. (Profanity will Not be tolerated at the stables.)
- Demonstrate sportsmanship in the show ring, contests, lessons, and meetings. (Be modest in winning and generous in defeat.)

## Proper Uniform Attire

Riding like other sports has a "uniform". This is not for appearance or a fashion show, but for the safety of the rider.

- Form fitting shirts tucked in. This allows instructors to see body position during lessons.
- Boots. NO fashion boots or Cowboy boots. It is recommended that riders invest in jod boots.
- Jodhpurs, while you can ride in jeans you will find that the inside seam will start to rub on your leg and most jeans have the "bling" on the back pockets that will damage the leather on the saddles. If you show up with bling jeans you will not be permitted to ride.
- Helmet, if you are under 17 you are required to wear a helmet in all lessons. This is for safety. We encourage adult riders to invest and wear a helmet to wear when mounted on the horse. NEVER buy a used helmet as you do not know the fall history and the stability of the helmet.
- NO jewelry such as dangly earrings and necklaces. These can become hung up on the saddle and can cause injury to the rider. If you must wear a medical alert bracelet, please make sure it fits snugly.
- Gloves are recommended to save wear and tear on your hands. There are a number of different types of gloves that are perfect for the season and for riding. Please check with an instructor if you have questions.
- No baggy shirts. These can become tangled in equipment and can lead to injury to the rider.

### Beginner Level:

- MUST WEAR LONG PANTS!
- Best to have a closed toe shoes.
- Helmets - SEI approved safety horseback riding helmets will be provided at the stables.
- Must wear a Shirt
- Hair pulled back neatly to fit under helmet.

### Intermediate and Advanced Level for all Riders:

- Kentucky JODHPURS or LEGGINGS - Jodhpurs must have keepers and worn with a belt
- BOOTS - Jodhpur boots, paddock boots
- GLOVES - Leather gloves required
- HELMETS - SEI approved safety horseback riding helmets It is HIGHLY recommended for 17 yrs old and under.
- Shirt worn tucked in should fit neatly
- Whip
- Hair pulled back neatly

Please note, it is very important to wear proper attire, because it is not only safer, but will also help improve your riding ability. Using the proper equipment shows respect for the the sport and pride in your appearance. We expect all riders to come prepared with the correct attire every time they ride. There are a number of locations that you can purchase the above attire needed for your rider's lessons. If you need any help please do not hesitate to ask an instructor and we will guide you to success.
