The Classic Legacy Band of Saginaw is a non-profit organization 501(c)(3) established to keep classical music alive in the Saginaw area. The group was formed from the members of the former Honsinger Symphonic Wind Ensemble, established and led for 41 years by Mr. Lloyd Honsinger. He started the group because he felt there was no public venue for classical musicians to gather and showcase their talents. When Honsinger passed away earlier in 2005, the members knew they needed to continue his legacy. In order to do this, we need your help! We have many expenses involved with running our group. We are in need of equipment, music, places to play and rehearse, and mailing and flyers, etc. All of our concerts are free of charge as a valuable service to the community. We hope that *you* can partner with us to continue this service.

You can help by making a monetary, product, or service donation. All donations will be used wisely and are greatly appreciated. All services and products donated will be used in future fundraising events. Please consider making a tax-deductible donation to help us continue this labor of love! Any person or organization making a donation over $25 will have their name listed in our programs and our heartfelt thanks and gratitude. I appreciate your time and consideration and look forward to collaborating with you.

Sincerely, *Todd Schwannecke* President
