

DEAR PARENTS,

As you know, to keep our students and staff healthy, we will be implementing a learn from home policy during this unprecedented time. This packet was created to help keep your child on track, reinforce the skills we have learned this year, and keep them learning.

Please have your child work through this packet and return it to school when it resumes. Each activity will take no more than a few minutes but is vital to complete each day to keep your Pre-K3 moving forward and his/her way to Pre-K4

Above all else, take care of your family and stay healthy! We hope that all families take extra germ-fighting precautions. Viruses are bad, but life can still be good! Break out the sleeping bags and have a family slumber party, put a puzzle together, play outside, cook a meal together, and count your blessings! We look forward to seeing you soon!
