THE ARTISAN MARKET
Newsletter!

Shawn Garland, Artist & Owner

A Note From Shawn

I am so excited to finally have a newsletter to share with you! We have been working hard to reopen but unfortunately, things have been moving much slower than anticipated. On the bright side, it has given us a chance to do many things behind the scenes that will make the new space an exciting experience for the whole community! Our intention is to open sometime in February, but this may be a pipedream. When we have a solid reopening date you will be the first to know. Whatever that date is, it will be the perfect time.

I will be sharing the newsletter with you monthly. Here, you will find information on classes, events, gallery news, artist stories, and more! I hope this newsletter is valuable for you so please, please share your feedback and suggestions to help me improve.

I hope that this newsletter will serve to ignite your creativity and bring more local art experiences into your life! If you find this is not for you, simply click 'unsubscribe' at the bottom of this email.

Check out the new look! For those of you just tuning in, in 2020 we said goodbye to our previous location and moved right across the street! We expect to open our doors sometime in February so keep your eyes peeled for updates. We look forward to sharing our new space with you at 118 N. Main!

**Stay Tuned!
