

A Note From Shawn

Oh my goodness!!! We have so many exciting things going on at TAM. Stroll through the gallery where we have 20 local artists displaying their creations; paintings, glass, pottery, wire, fiber and wood. Then head on back to "The Hangar" where every Saturday we have artisan vendors and LIVE music. Also in The Hangar we are having workshops of all sorts (see below). Every day artists are bringing in new things, students are enjoying creative experiences, and I am jumping up and down (seriously) with joy over how supportive and excited our community is. It has been my feeling from the start, that this space will grow and change and be exactly what you want it to be. Our mission is to inspire passion and appreciation for the arts. Let us know what that means for you.

Visit us in the Gallery from 8am to 3pm

Visit the Hangar from 8am to 1pm

See you soon!
