Kick-off BBQ Highlights!

Rainy. Heartfelt. Resilient.

The Kick-off BBQ was all of these things! Sheila Malcomson, MLA (*top*) read the Royal Proclamation declaring June Brain Injury Awareness Month. Tamara Kronis, MP shared some encouraging words, and peer volunteer, Ronny (*right*) spoke about the impact of brain injury and his experiences with NBIS. Thank you to all sponsors, attendees and volunteers for your support!

Also extending a huge thank you to the awesome sponsors of our Kick-off BBQ; KJ Controls, Save-On-Foods, Nesvog Meats, Long & McQuade, Sharecost Rentals, Nanaimo Paddling Center, and our partner WildPlay.

Don't forget: Invite your people!

Tell your friends and family! Spectators are welcome and encouraged on event day- so don't be shy and bring out the whole team. The more people cheering the easier the jumping goes... so we've heard!

Bungee jumping and navigating brain injury are both things that sound intimidating, and take a lot of courage! By taking on the challenge of WildPlay Nanaimo's 150 ft bungee jump, you're sending a message to brain injury survivors everywhere- together we can face challenges.

We aren't picky! Toss the..
