NBIS Program Highlight: Helmets for Kids

Toss the Boss is an important part of our Helmets for Kids initiative which helps ensure that every child in our community has access to a properly fitted helmet, regardless of financial circumstances. Your support means more kids are safe on their bikes!

Fundraising tips & tricks

- Use a “round up” for every transaction
- Host a BBQ by donation
- Choose a specific “Toss the Boss” product, and donate something from every sale
- Connect with business partners; their corporate donations will receive tax receipts!

Behind every jump is a story

The City of Nanaimo and Dale Lindsay are excited to join Toss the Boss because they want to give back to the community they have the privilege to serve.
