BRAND PARK TRUST CHARITY TOURNAMENT

JUNE 21, 2019, 1PM SHOTGUN
2275 CORNING RD, ELMIRA, NY 14903

What is the Brand Park Trust?

The Harold & Winnie Watts Brand Park Trust was created to honor Harold and Winnie Watts long time commitment to community that included creating the Brand Park Task Force, the Brand Park Beautification Committee, leading the effort in the establishment of The Maple Avenue Historic District and the re-energizing of the Christmas Land display at the Southport Fire Department. Furthermore, the creation of this trust will help defray the costs of community-based projects, improvements, repairs and maintenance. It will also ensure the stability of the Brand Park Summer Concert Series (est. 1992) and the Annual Olde Tyme Summer Festival (est. 1994). As the endowment grows and the needs of Brand Park are met, projects, charities and scholarships on Elmira's Southside and the Town of Southport will be considered by the endowment Board of Trustees.
