# Hey There!

We're the Armstrongs and we're glad you're here! We're living our best life, doing what we love! We have three kids and our goldendoodle Woodson. There's always a lot of action in our home...but that's how we love it...never a dull moment! Sam is originally a Midwesterner that moved to Florida in 2006. I (Melanie) was raised right here in Central Florida and in 2008 I opened The Garden Café, a lunch café offering special dinner and entertainment events and catering. We met soon after as fate would have it, when Sam delivered my first food order at the restaurant. A couple years later we married (remind us to tell you how we catered our own wedding) and 3 kids came tumbling after. Eventually, after 10 years of operating our restaurant, The Garden Café in downtown Dade City, we realized our passion and the future of our family business was in the event industry. We opened Savory Roots Catering Events in May of 2018 and now we have a blast creating beautiful and enjoyable experiences for all of our clients. We feel blessed to be following our dreams with our family business and sharing our love of entertaining. We have a passion for hospitality and a love of good homestyle comfort food and we're excited to share that with you!

Come join our Savory Roots family!
