Help a child feel seen this holiday season.

For a parent balancing groceries, housing, and other essentials, a holiday outing can feel out of reach. A welcoming place to create, share a meal, and simply enjoy being a child can mean so much.

A special invitation for 60 little VIPs

On December 10, 2nd Chance 4 Kids plans to welcome 60 students in grades Pre-K-5 from Wendell P. Williams Elementary to Santa's Village at Timeless Moments. This school experience is free for the invited children.

Imagine a child choosing colors for a little art house, discovering something new during an eye-care lesson, and sitting down to lunch with classmates. At the end of the visit, that child carries home artwork to be proud of, a tote bag of goodies, and a memory of being welcomed.

Your sponsorship helps make the painting supplies, lunch, essentials, and thoughtful details possible. Free eye screenings are planned with our health partner, adding care to the celebration.

Four days bring the community together

From children's art and wellness to Goat Yoga, holiday music, a family petting zoo, and a musical brunch, the December 10-13 experience invites neighbors, businesses, and visitors to take part. Ticketed activities and sponsorships help fund event delivery and 2C4K's work for children and families.

Why partner with 2nd Chance 4 Kids

2nd Chance 4 Kids, Inc. is a 501(c)(3) public charity helping underserved children and families access essentials, education, safety, wellness, and community connections. Holiday smiles belong within that larger mission: helping children and families move forward throughout the year.

Help create the welcome. Choose a four-day sponsorship or bring a special moment to life through art, lunch, or our Furry Friends experience.
