

Pickleball registration for Dennis, Summer 2024, Begins February 26th .

Both Residents and Non-residents can register beginning February 26th. The cost is \$55 for residents, \$75 for non-residents. Only registered players are allowed to play at the Wixon courts in the mornings and Evenings on Tuesdays and Thursdays from 5:00-7:00 from mid-May through mid-October, The registration process is fairly intuitive, but below are step-by-step instructions for further assistance.

Go to https://dennisrecreation.activityreg.com/ClientPage_t2.wcs

If you are a new player who has not registered for town recreation programs before, **choose Create Account**. Winter indoor pickleball may not count as a prior registration.

If you are a returning outdoor player who has an account, **click Member Log-in** (top right)

Enter your log-in information and align Sign In

Once logged in :

Click on Pickleball Membership (NOT Activity Registration)

Note:

Members will need to upload a photo to complete the membership registration process. Returning players who uploaded photo for previous seasons may not have to do it again this year.

Tip: You can use a photo with more than one person in the photo , the upload process will identify faces and allow you to select the individual face you wish to use for each member. A separate upload process is required for each additional family member. This process is helpful vs trying to crop photos manually as the process has photo size requirements.

2023 screenshot:

The screenshot shows the Town of Dennis Massachusetts website. At the top left is the town seal and logo. To the right are Instagram and Facebook social media icons. A navigation bar contains links for Home, Register, Information, Account, Cart (0), and Logout. The main content area is titled 'Memberships' with a 'Purchase Membership' button. Below this is a 'Purchase A New Membership' form. The form has three columns: 'Type' (Membership), 'Name' (Pickleball Outdoor 2023), and 'Length' (Annual). The 'Membership Includes' section shows a list of names with checkboxes, one of which is checked. There is an 'Add Family Member' button. The 'Details' section on the right provides information about the membership, including the price (\$50.00), start and end dates (05/01/2023 to 10/31/2023), and play hours for different months. A green 'Select This Membership' button is at the bottom right of the form.

Click Purchase Membership

Be sure the screen says:
