Thursday, September 29, 2022

(8am – 12:00pm)

Get to know and play with other members regardless of your level! Teams will be decided by a Co-Ed Blind Draw. There will be 2 groups A + B (Group A sign in at 7:30am and Group B sign in at 8:30am). In an attempt to have balanced teams, we are asking that you let us know if you are a less or a more experienced player when you register. A less experienced player will be matched with an experienced player when drawing the teams.

- ◆ We are limiting the attendees to 32 less experienced and 32 more experienced. (This may be expanded depending on number of responses)
- ◆ Eight courts will be used for the event, the remaining 6 courts will be open to registered members for play.
- ◆ Games to 11, win by 1. Everyone is guaranteed 6 games in two rounds with two different partners. There will be a one game play off between winners of Group A and Group B to determine winners.
