

## *Professional Housekeeping Service*

Thank you for choosing us for your lodging needs. As we welcome you into our beautiful town in Routt County your health and safety are our number one priority. Listed below are what we are doing to keep you safe as well as some guideline from our local leaders.

Recognizing the ongoing and increased uncertainty that coronavirus (COVID-19) is causing around the world, our highest priority is the health and wellbeing of our guests and employees. With that in mind we wanted to update you on the actions we have taken in response to the outbreak

We are closely monitoring developments around the world and are in contact with global organizations including the World Health Organization (WHO), Centers for Disease Control and Prevention (CDC) and relevant authorities for county-specific requirements, to ensure the actions we take are comprehensive and suitable.

Professionals Housekeeping Service's way of clean already includes deep cleaning with hospital-grade disinfectants, and going forward, guests can expect to see evolved procedures in every area of the facility, which may include:

Reception: Reduced contact at check-in, touchless transactions, front desk screens, sanitizer stations, sanitized keycards, paperless check-out.

Public Spaces and Facilities: Additional deep cleaning and sanitizing of high touch surfaces, social distancing, 'last cleaned' charts, best practices for pools, fitness centers and lounges

Please find listed below guidelines from our local government:

1. Wear a face covering in public places and when social distancing cannot be achieved.
2. Keep six feet of social/physical distance.
3. Wash hands often.
4. Stay home if sick or at risk.
5. Get tested if symptoms arise.
