***MEMBERSHIP**: I, THE UNDERSIGNED, understand that tuition is paid per month; it is not a per-class fee and will not be pro-rated per class. If signing up in the middle of a month, classes may be prorated based on a percentage of the days remaining in that month. I agree to pay the full tuition & fees in its/their entirety for the term and each month therein, regardless of actual participation or number of scheduled classes in any particular month. I understand that there will be more classes in some months, fewer in others, depending upon the calendar and holidays. Tuition remains the same regardless, refunds are not available, and, in some instances, make-up classes may not be offered -- although TDFS standard IS to offer scheduled make-up classes for unplanned studio closures. I understand that the schedule is subject to change. _____ (Initial)

***MEDICAL**: I agree to assume and/or reimburse instructor all costs associated with retrieving payments for classes described and registered for herein and for any damage to property. For and in consideration of the instructor allowing the undersigned to participate in the class(es) described herein, the participant or his/her guardian, by endorsing this waiver, agrees to voluntarily indemnify and release from all liability the instructor and/or related personnel, holding her/them harmless for any accident, injury, illness, death, loss, damage, consequence or complaint arising directly or indirectly to person or property involved with these activities.

I understand the inherent risks associated with dance and fitness classes. I have carefully read the description of the class(es) for which I/my child is registering and, in consideration of being permitted by the instructor to participate in the above activity, I hereby waive, release, and discharge any and all claims for damages of personal injury, death, property damage, or loss of any kind, which I may have, perceive to have, or which may hereafter accrue to me, including by the participant's family, spouse, partner, or heirs, as a result of participation in said activity. This release discharges in advance the instructor, owner/director, studio, and all associates, from any and all liability arising out of or connected in any way with my (or my child's) participation in said activity, including any perceived, actual, intentional, or unintentional negligence or carelessness on the part of the persons or entities mentioned above or implicated. To my knowledge, at this time, participant is healthy and has no known injuries or ailments that might impact ability to exercise vigorously, unless noted herein and discussed with staff prior to participation in TDFS classes or activities.

It is understood that this activity involves an element of risk and danger of accidents, injury, loss, or other risks, and I hereby assume those risks. It is further agreed that this waiver, release and assumption of risk is to be binding on my heirs and assigns. I agree to indemnify and to hold the above persons harmless for any loss, liability, damage, cost or expense which they may incur as the result of my death or injury or property damage or other actual or perceived loss that I may sustain while or as a direct or indirect result of participating in dance and fitness activities. TDFS makes no warranty for Independent Contractors who offer services at or through our facilities or association. I further attest that I have sought and received or have no known reasonable rationale to first seek permission from a medical practitioner before participating in TDFS classes. Participants are encouraged to eat 30 minutes prior to and drink water before and throughout this activity, participate in warm up & cool down if presented, & monitor themselves/their charges for any shortness of breath, faintness, weakness, pain, stinging, numbness, or other abnormal symptoms throughout this activity & notify instructor immediately if any become evident. _____ (Initial)

***MUSIC & MEDIA**: TDFS staff makes every effort to choose music that is age-appropriate and for general audiences. I understand, however, that songs may occasionally contain patriotic or religious messages, cusswords or insinuated adult humor. Whenever possible, music is used by permission or licenses by TDFS. This does not give permission to parents to use or otherwise publish or transmit the music in any form. Choreography is likewise subject to copyright protection and may not be shared or redistributed. Photographs of performances may be posted/used by parents as long as the pictures are edifying in general and not demeaning to our dancers or studio in any way, and the credit line identifies the performance date and studio.

***PHOTOS/VIDEOS**: I give permission for TDFS to photograph and/or video record myself and/or the participant named herein for the purposes of learning review, choreography practice, recital recordings, social media, websites and/or other promotional events or activities in perpetuity without remuneration. _____ (Initial)
