TUITION FOR KARATE & DANCE CLASSES

Tuition is for a full semester, payable regardless of actual participation, calendar, schedule, or number of monthly classes. Tuition is pro-rated from the first day of class. Registration constitutes my agreement to pay for the semester in order to grant me/my participant one of the limited spaces on the dance floor or in the dojo.

I understand that: Tuition and fees are non-refundable. Schedule is subject to change. TDFS offers make-up classes whenever possible, but they are not guaranteed.

TDFS understands that it may not be possible for me to pay for a semester upfront, so they would be glad to allow me to make payments, to spread the total amount owed over the months remaining in the semester. I promise to pay *at least* the agreed-upon amount every month (I can always pay off the remaining balance early,) until the semester tuition is paid in full, regardless of attendance or calendar. I understand that I am not paying "per class" and that "Drop-In Rates" do not apply after registration. I agree that a \$10 Late Fee will be added to payments made after the 10th day of each month, in addition to \$25 returned check fee, if any.
