FOR IMMEDIATE RELEASE

Miss Trish's Wellness Teachings and Techniques Becomes an IACET Accredited Provider ***Prestigious Accreditation Demonstrates Commitment to High-Quality Adult Learning***

September 1, 2021: The International Association for Continuing Education and Training (IACET) has awarded Miss Trish's Wellness Teachings and Techniques the prestigious Accredited Provider accreditation. IACET Accredited Providers are the only organizations approved to offer IACET Continuing Education Units (CEUs). The accreditation period extends for five years, and includes all programs offered or created during that time.

"Miss Trish's Wellness Teachings and Techniques is proud of our education programs which educate hundreds of Early Childhood Educators each year in crucial classroom skills so that our students can maintain relevancy in today's world," stated Patricia Pascucci, Owner/Director. Patricia Pascucci added, "Our accreditation with IACET is a demonstration of our commitment to quality adult education and high standards for all of our programs. We are very pleased to join such a prestigious organization as well as an elite group of organizations that offer excellent continuing education and training programs."

"We are pleased to recognize and celebrate the achievement of Miss Trish's Wellness Teachings and Techniques as an Accredited Provider," stated Casandra Blassingame, CEO of IACET. Blassingame added, "Miss Trish's Wellness Teachings and Techniques proudly joins nearly 500 organizations around the globe that have matriculated through a rigorous peer-reviewed process by experts in continuing education, thereby ensuring the highest possible standards are met."

Courses Offered Include:

- All Inclusive Online CDA Program
- Online CDA Renewal Course
- Online Early Childhood Education Courses

To achieve Accredited Provider accreditation, Miss Trish's Wellness Teachings and Techniques completed a rigorous application process and successfully demonstrated adherence to the ANSI/IACET 2018-1 Standard for Continuing Education and Training by addressing the design, development, administration, and evaluation of its programs. Miss Trish's has pledged its continued compliance with the Standard and is now authorized to use the IACET name and Accredited Provider logo on promotional course material. In addition, Miss Trish's Wellness Teachings and Techniques is now linked to the IACET web site and is recognized as offering the highest quality continuing education and training programs.

Miss Trish's Wellness Teachings and Techniques is redefining education for Early Childhood Educators, creating flexible courses that are designed for Educators by Educators. With continued support, students enrolled in courses created by Miss Trish can feel confident that they will not only successfully complete their training, but apply the skills learned in a classroom setting to become the best teachers possible.

About IACET: The International Association for Continuing Education and Training (IACET) is a non-profit association dedicated to quality continuing education and training programs. IACET is the only standard-setting organization approved by the American National Standards Institute (ANSI) for continuing education and training. The ANSI/IACET 2018-1 Standard for Continuing Education and Training is the core of thousands of educational programs worldwide. For more information, please visit www.iacet.org or call 703-763-0705.

WY Quality Counts Scholarship Applicant Frequently Asked Questions

Can I receive a scholarship to help fund my Master's Degree or Special Education Degree Program?

- No. Please refer to the list of applicable degrees in the College Degree Scholarships section.

What is the 45/110 day rule?

- The 45/110 rule means that a scholarship or grant application must be postmarked at least 45 days and not more than 110 days before the start date of training (which includes any necessary travel time). This is necessary for the application to be screened, reviewed for accuracy and eligibility and then written into a contract. The contract is then sent to the Attorney General's office, the participant and lastly to the Director of the Department of Workforce Services for final approval and execution. All signatures must be on the contract before training/ semester begins.

Can I fax my application?

- Yes. Scholarship and grant applications may be submitted via fax to 1-866-373-6061. However, if the fax is unreadable or illegible, you may be asked to re-submit the document via fax or standard mail. It is the applicant's responsibility to ensure the fax transmittal was successful. We highly encourage keeping copies of the fax documentation and the transmission report. You can also mail information to: DWS – WY Quality Counts, 614 South Greeley Hwy, Cheyenne, Wyoming 82002.

Why do I need to put my anticipated graduation date for my degree on my scholarship application?

- The mandatory employment hours start after you graduate with your designated degree. This is the purpose of your anticipated graduation date. This date is not set in stone. It can change as you continue taking course work towards your degree.

If I plan on applying for a CDA, am I required to list a STARS approved contractor on my application?

- Yes, if the CDA program is not through Laramie County Community College or Sheridan College. WY Quality Counts CDA scholarship applicants are required to list a STARS

approved CDA contractor on their application. If an applicant applies to the Department of Workforce Services for a CDA program and does not list a STARS approved contractor, that application will be incomplete and will be denied. It is the applicant's responsibility to coordinate with the trainer(s) that will assist them during their CDA program.

What does continuous enrollment mean?

- Continuous Enrollment means enrollment in at least one (1) credit hour in each of two (2) semesters of a fall, spring, or summer semester within the course of a year based on enrollment date.

What if I can't get my advisor's signature?

- Most importantly, get your application submitted on time. The Department of Workforce Services/WY Quality Counts will accept documentation from the college or training entity that verifies your coursework meets the requirements of your educational plan. We will also accept contact information for your advisor. Simply include the email address of your advisor on the signature line. The program manager will email your advisor for course approval and use the return email from your advisor as the signature.

What if I can't register for my college classes until after the application acceptance dates have passed?

- Complete the scholarship application with the class(es) you plan on registering for and submit the application on time. If you do not take that class, call or email WY Quality Counts with the class(es) you are taking for the semester. This can be changed on your application. If you do not notify WY Quality Counts! of the change in class(es), the college might not invoice for the class that is not listed on the approval notification.

Do I have to work 2,000 hours for every scholarship I received for my bachelor's degree?

- No. The 2,000 hours is the total number of hours you have to work after receiving your bachelor's degree for all the classes that WY Quality Counts funded during your schooling for the degree.

If I apply for a scholarship or grant, should I pay allowable costs out of my own pocket and if so, will I receive a reimbursement?

- No. Applicants should never assume that funding is approved. Each application is screened individually. Applicants will always be notified in writing of application disapproval. If approved the applicant will receive a contract to be signed. If applicants decide to pay any allowable costs out of their own pockets, they do so of their own will unless notified in writing prior.

Why am I required to complete and submit an official DWS training evaluation (survey) within 45 days of completion of each semester, coursework or training?

- The evaluation allows DWS to gauge whether the participant is receiving adequate services and whether the WYQC services/training/instructor were adequate during coursework. DWS wants to ensure we provide the highest quality of services and that your entire training experience was top-notch. The evaluation allows us to collect data related to such and is very short in length. It takes approximately 5–7 minutes to complete after

coursework completion.

Can I fax or scan and email my signed contract back?

- WY Quality Counts must have the original signed contract in the file. The signed contract can be faxed or scanned and emailed if it is close to the deadline, then the original must be mailed to WY Quality Counts.

Do my employment hours count towards my mandatory employment hours while I am working on my CDA coursework or degree coursework?

- No. The hours for the mandatory employment hours in the contract start: after the degree is awarded to you for a college scholarship, or after you complete the CDA coursework for the CDA program

When terminated from a program or grant training, why are approved participants required to repay all funding issued on their behalf within 30 days?

- Wyoming State statute requires a recipient of a grant or scholarship to immediately repay all funds provided to the recipient together with attorney fees and costs incurred in collection, if the recipient breaches the contract. The repayment shall be made, or a repayment contract shall be signed, within thirty (30) days of the date on which the scholarship participant receives notice of termination from the program from the Department of Workforce Services/WY Quality Counts.
