

This listing is to show you the breakdown of services and the cost with no discount. Please note that some services are not eligible for the sliding scale fee, and some services may have additional charges due to the complexity of the service.

Your Sliding Scale % is ____.

Example: If you are a family of 4 and your income is \$45,000 annually, you will be placed at 30% on the Sliding Scale and pay \$48 for an Admission Evaluation with a Therapist versus the full fee of \$160.
