2.6.2 Common Area. The power and authority to acquire and dispose of, and the duty to manage, operate, maintain, repair and replace the Common Area for the benefit of the Community; provided, however, except as permitted under Section 2.6.6 hereof, no interest in the Common Area shall be disposed of without the approval by the vote or written consent of Owners representing more than sixty-five percent (65%) of the total voting power in the Association.

Such entry shall be made with as little inconvenience to the Owner of such Lot as practical under the circumstances, and any damage caused thereby shall be repaired by and at the expense of the Association.

2.6.6 Licenses, Easements and Rights-of-Way. The power to grant and convey to any third party such licenses, easements and rights-of-way in, on or under the Common Area as may be necessary or appropriate for the orderly maintenance, preservation and enjoyment of the same, and for the preservation of the health, safety, convenience and the welfare of the Community, for the purpose of constructing, erecting, operating or maintaining any of the following:

2.6.6.1 Underground lines, cables, wires, conduits or other devices for the transmission of electricity or electronic signals for lighting, heating, power, telephone, television or other purposes, and the above-ground lighting stanchions, meters, and other facilities associated with the provisions of lighting and services;

2.6.6.3 Mailboxes and sidewalk abutments around such mailboxes or any service facility, berm, fencing and landscaping abutting Common Areas, public and private streets or land conveyed for any public or quasi-public purpose including pedestrian and bicycle pathways.

2.6.7 Amenity Agreements. The power and authority to enter into any lease, license, use or other agreements as the Board deems proper or convenient to secure the use of off-site amenities or facilities for the benefit of the Community. Without limiting the generality of the foregoing, and only by way of example, the Association may enter into such agreements with others for the use of any recreational amenities or facilities, including clubhouses and swimming pools, by the Owners on such terms as the Association deems reasonable or prudent. In such event, any costs incurred by the Association related thereto shall be Expenses, and such Expenses shall be included in the Regular Assessments.

2.6.8 Reserves. The power and authority to establish and fund such operating and capital reserves as the Board deems necessary or prudent.

2.6.9 Taxes. The power and authority to pay all real and personal property taxes and assessments (if any) levied against the Common Area, the Association and any other property owned by the Association. In addition, the Association shall pay all taxes, including income, revenue, corporate or other taxes (if any) levied against the Association.

2.6.10 Enforcement. The power and authority at any time and from time-to-time, on its own behalf or on behalf of any consenting Owners, to take any action, including any legal action, to prevent, restrain, enjoin, enforce or remedy any breach or threatened breach of the Community Documents. The power of enforcement includes:

2.6.10.1 The right to remove, alter, rebuild or restore any Improvements constructed, reconstructed, refinished, added, altered or maintained in violation of the Community Documents. If such Improvements are located on a Lot, the Association shall first provide the Owner thereof with a notice specifying the default and a reasonable opportunity to cure (not to exceed ten (10) days), and the Owner of the Improvements shall immediately reimburse the Association for all expenses incurred with such removal.

2.6.10.2 The right to enforce the obligations of the Owners to pay each and every Assessment or charge provided for in the Community Documents.

2.6.10.3 The right to perform any duty or obligation of an Owner under the Community Documents if such duty or obligation is not timely performed by such Owner. In such event, the defaulting Owner shall immediately reimburse the Association for all costs reasonably incurred by the Association in performing such duty or obligation. Except in the event of an emergency, the Association shall provide the defaulting Owner with a notice specifying the default and a reasonable period (no less than five (5) days and no more than thirty (30) days) to cure prior to exercising its power and authority hereunder.

2.6.10.4 The right to authorize variances from the requirements of this Declaration when required by applicable law (such as the Fair Housing Act) or when needed to prevent the requirements would impose an undue hardship on an Owner that would be inequitable for such Owner to bear. The granting of a variance shall not waive any element of the Declaration for any purpose except as to the particular Lot and the particular provision covered by the variance. Approval of a variance shall not affect the Owner's obligation to comply with the other elements of this Declaration or applicable law.

the part of such Released Party. The Association shall indemnify, defend and hold each Released Party harmless from any action, expense, loss or damage caused by or resulting from such Released Party's actions or failure to act with respect to the Community Documents; provided, however, the Association shall not be obligated to indemnify, defend and hold harmless any Released Party for their own gross negligence or willful misconduct.

3.3 Exterior Maintenance Obligations. Each Owner shall keep all Improvements on such Owner's Lot in good condition and repair. 3.4 Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate anywhere upon the Community, including the Common Area or vacant Lots, and no odor shall be permitted to arise from any portion of the Community so as to render the Community or any portion

thereof unsanitary, unsightly, offensive or detrimental to the Community, or to any other property in the vicinity of the Community. No business or home occupation, no noise, no exterior fires, no obstructions of pedestrian walkways, no unsightliness or other nuisance shall be permitted to exist or operate upon any portion of the Community so as to be offensive or detrimental to the Community or to its occupants or residents or to other property in the vicinity or to its occupants or residents, as determined by the Association, in its reasonable judgment, or in violation of any federal, state or local law, rule, regulation or ordinance. Without limiting the generality of any of the foregoing, no whistles, bells or other sound devices (other than security devices used exclusively for security purposes which have been approved by the Committee), flashing lights or search lights shall be located, used or placed on the Community without the Committee's approval. No unsightly articles shall be permitted to remain on any Lot so as to be visible from any other portion of the Community. 3.6 Insurance Rates. Nothing shall be done or kept on any Lot which will increase the rate of or cancel any insurance on any other portion of the Community without the approval of the Owner of such other portion, nor shall anything be done or kept on the Community or a Lot which would result in the cancellation of insurance on any portion of the Community owned or managed by the Association or which would be in violation of any law.

3.7 Vehicles and Equipment. All on-street parking shall be limited to those specific areas where on-street parking is not expressly prohibited by the governmental or quasi-governmental agencies with responsibility therefore. Vehicles shall not extend or otherwise be permitted on or into any sidewalk, bicycle path or pedestrian path unless such vehicle is engaged in an emergency procedure, or as provided elsewhere in the Community Documents. No motor homes, motor coaches, campers, trailers, snowmobiles, aircraft, boats, recreational vehicles, all-terrain vehicles, abandoned or inoperable vehicles (defined as any vehicle which has not been driven under its own propulsion for a period of forty-eight (48) hours or longer), oversized vehicles (defined as vehicles which are too high or too wide to clear the entrance of a standard residential garage door opening), dilapidated or unrepaired and unsightly vehicles or similar equipment such as snow removal equipment, garden maintenance equipment and/or any other unsightly equipment and machinery shall be placed upon any portion of the Community, including but not limited to streets, parking areas and driveways, unless the same are located on a concrete pad and enclosed by a structure concealing them from view in a manner approved by the Committee. Household Pets shall not include livestock, poultry, swine or waterfowl. Household Pets shall not be kept which unreasonably bother or constitute a nuisance to other Owners. Any noisy animal (defined below), any vicious animal, any non-domestic household pet or any animal which damages or destroys property shall be deemed a nuisance. Excessive or untimely barking, molesting passersby, chasing vehicles, pursuing or attacking other animals, including wildlife, and trespassing upon private property in such a manner as to damage the Community shall also be deemed a nuisance. A "noisy animal" means any animal which habitually or frequently disturbs the sleep, peace or quiet of any Occupant. Owners shall contact the local animal control agency regarding noisy animals prior to complaining to the Board about such animals. Any costs associated with responding to complaints of a noisy animal or nuisance pet may be levied against an Owner as a Limited Assessment. The Owner of a Lot where a Household Pet is kept, as well as the legal owner of the Household Pet (if not such Owner), shall be jointly and severally liable for any and all damage and destruction caused by the Household Pet, and for any clean-up of any Common Area, roads or other property necessitated by such Household Pet.

3.9 **Assistance Animals.** Assistance animals are welcome in the Community in accordance with the Fair Housing Act (42 U.S.C. § 3601 et. seq., as amended) and the implementing regulations promulgated there under. An assistance animal shall be as defined in the Fair Housing Act, which is currently any animal needed by a disabled individual to have an equal opportunity to use and enjoy a dwelling. Examples of assistance animals are guide animals, animals that alert people who are deaf, animals that pull a wheelchair, animals that alert and protect a guest who is having a seizure, animals that remind an individual with mental illness to take prescribed medications, animals that calm an individual with Post Traumatic Stress Disorder (PTSD) during an anxiety attack and animals that provide comfort or emotional support. Assistance animals in training are to be treated as assistance animals, even if the handler is not disabled. An assistance animal need not be licensed or certified by any government. Individuals with assistance animals shall not be treated less favorably than other residents or charged fees that are not charged to other residents without animals. The Association shall have the right, to the extent permitted under the Fair Housing Act, to prohibit or restrict any assistance animal that (a) is out of control and the handler does not take effective action to control it, or (b) the animal's behavior poses a threat to the health or safety of others. Any individual who brings an assistance animal on the Community is financially and legally responsible for any injury or damage caused by such assistance animal, and for any clean-up of Common Areas, roads or other property necessitated by such assistance animal.

3.10 **Construction and Temporary Structures.** During the course of construction, no trailer houses or similar mobile units designed for overnight accommodations shall be parked on any street. No trailer, tent, shack, garage, barn or other unattached structure erected on a Lot shall, at any time, be used as a residence, temporarily or permanently, nor shall any residence of a temporary character be permitted. No building of any kind shall be erected or maintained on a Lot prior to the construction of the Improvements thereon. The construction of Improvements shall be prosecuted diligently and continuously from the time of commencement thereof until such Improvements are fully completed and painted. The construction site shall be cleaned of trash and debris nightly and maintained in a non-nuisance condition.

3.11 **Drainage.** No Owner shall interfere with the established drainage pattern over any portion of the Community, unless adequate alternative provisions for proper drainage have first been approved by the Committee and properly installed. For the purposes hereof, "established" drainage is

defined as the system of drainage, whether natural or otherwise, which exists at the time the overall grading of any portion of the Community is completed by Grantor, or that drainage which is shown on any plans approved by the Committee, which may include drainage from Common Area over any Lot in the Community.

3.12 Grading. Except as provided in Section 3.11, no Lot shall drain onto, over, across or under the Common Area or an adjacent Lot. The Owner of any Lot within the Community in which grading or other work has been performed pursuant to a grading plan approved by any public agency, or by the Committee, shall maintain and repair all graded surfaces and erosion prevention devices, retaining walls, drainage structures, means or devices which are not the responsibility of any public agency, and plantings and ground cover installed or completed thereon.

3.13 Irrigation System. The Association shall operate the Irrigation System for the Community. Each Owner shall connect its Lot(s) to the Irrigation System, if available, upon the earlier to occur of the issuance of a certificate of occupancy or nine (9) months after the issuance of a building permit to ensure that all required landscaping is maintained in a high quality manner and first class condition and in accordance with the Community Documents. Each Owner acknowledges that Irrigation System water may be inadequate, particularly during low water years and seasons, and that each Owner is not guaranteed any specific amount of water for use on such Owner's Lot. No Owner shall modify any portion of the Irrigation System, including that portion of the Irrigation System on the Owner's Lot.

3.14 Water Supply Systems. No separate or individual water supply system, regardless of the proposed use of the water to be delivered by such system, shall be permitted on any Lot unless such system is approved by all government authorities having jurisdiction and designed, located, constructed and equipped in accordance with the requirements, standards and recommendations of the Committee.

3.15 Sewage Disposal Systems. No individual sewage disposal system shall be used on the Community. Each Owner shall connect the appropriate facilities on such Owner's Lot to the public sewer system and pay all charges assessed thereon.

3.16 Energy Devices, Outside. No energy production devices or generators of any kind (such as solar energy devices or windmills) shall be constructed or maintained on any portion of the Community without the Committee's approval, except for mechanical equipment shown in the plans approved by the Committee. This Section shall not apply to passive solar energy systems incorporated into the approved design of a residential structure.

3.17 Signs. No more than one (1) sign shall be allowed on any Lot at the same time to advertise the Lot for sale or to advertise the Lot during the course of construction. No sign of any kind shall be displayed to the public view more than six (6) square feet in size and not more than three (3) feet above grade. The Association may erect and maintain identification signs, street signs and other appropriate informational signs upon the Common Area or upon utility easements of a size and design approved by the Committee. No other signs shall be placed or maintained upon the Common Area. Directional and open house signs may be used during open house time period only. All Lot signs must be removed within thirty (30) days after occupancy. Signs advertising a Lot for rent are not allowed anywhere within the Community. Political signs are permitted for up to thirty (30) days prior to a primary or general election, and shall be removed within two (2) days after an election.

3.18 Flags. No flags, banners, windsocks or similar items are permitted within the Community except for a standard American flag that is no larger than three (3) feet in length.

3.19 Antenna; Satellite Dishes. All exterior radio antenna, television antenna, satellite dishes or other such devices of any type shall be installed on the rear of the residential structure on the Lot, or

within four (4) feet of the rear of the structure on any such structure's side walls. All such devices shall be screened by a fence, landscaping or similar structures in accordance with the Design Requirements, or as otherwise required to ensure the safety of the residents of the Community, except that screening shall not be required where it would unreasonably delay installation or unreasonably increase the cost of installation, maintenance or use thereof, or preclude the reception of an acceptable quality signal. No such device may be installed until after an Owner has received Committee approval for construction of residential Improvements on the Owner's Lot.

3.20 No Further Subdivision. No Lot may be further subdivided unless the subdivision is approved by the Board, and then only in accordance with applicable law.

3.21 Holiday Lights. Winter holiday decorations and lighting displays are permitted starting on November 15 of each year and must be removed by January 15 of the following year. Any other holiday decorations or lighting displays (such as Halloween) are permitted up to fifteen (15) days prior to the holiday and must be removed within three (3) days after the holiday.

ARTICLE 4 ARCHITECTURAL REVIEW COMMITTEE

4.1 Creation. The Board shall appoint no less than three (3) and no more than five (5) individuals to serve on the Architectural Review Committee (the "**Committee**"). The Board shall have the exclusive right to appoint, remove and replace Committee members at any time with or without cause. If a vacancy on the Committee occurs and the Board has not yet appointed a replacement, the remaining Committee members may appoint an acting member to serve until the Board appoints a replacement. Committee members need not be an Owner.

4.2 Design Requirements. The Committee shall have the power and authority to adopt, amend and repeal such rules and regulations as the Committee deems reasonable and appropriate to ensure that all Improvements in the Community conform and harmonize as to external design, quality and type of construction, architectural character, materials, color, location in the Building Envelope, height, grade and finish ground elevation, natural conditions, landscaping and other design or aesthetic considerations (the "**Design Requirements**"). The Design Requirements may include rules and regulations to (a) protect the special qualities of the Community; (b) encourage creative design; (c) provide general architectural, design and construction guidelines; (d) landscape guidelines (including a description of existing, natural conditions and vegetation); (e) submittal and review procedures; (f) fees and charges for review; and (g) penalties for noncompliance. The Design Requirements shall be drafted to conform to this Declaration, and in the event of a conflict between the Design Requirements and this Declaration, this Declaration shall govern. In the event that any provision of the Design Requirements are deemed ambiguous on any matter, the Committee's interpretation such provision shall be given deference so long as the interpretation is a permissible construction of such provision.

4.2A Design Requirements-Exceptions. Lots 2, 3 and 4 Block 5, Shelburne Phase 1 shall have the following special provisions:

(1) The existing Accessory Structure on Lot 4, Block 5 (red barn) shall not be subject to the provisions of these CC&R's as they relate to accessory structures and shall remain as provided for in that certain Development Agreement recorded with the City of Meridian on September 10, 2015. Changes or modifications that retain or enhance the quality of the structure are permitted without approval of the Board. Any new accessory structures must comply with these CC&R's and any City of Meridian building permit requirements.

(2) The height of homes shall be restricted to a single-story on Lot 4, Block 5, and a single-story or a single-story with bonus room on lot 2, Block 5 and Lot 3, Block 5. If a single level with upstairs bonus room is constructed, the following shall apply:

- (b) Bonus room square footage shall face the front of the home with windows and / or dormers also located on the front of the home;
- (c) All dormers and windows on back of home must be designed for the first floor only.

4.3 Design Review Required. No Owner shall construct, reconstruct, alter, install or remove any Improvements except with the Committee's approval. The Committee shall review; study and either approve or reject the proposed Improvements on the Community, all in compliance with the Declaration and the Design Requirements. Except as otherwise set forth herein, any action or decision made by a majority of the Committee shall be the binding decision of the entire Committee. The Committee is authorized to retain the services of one or more consulting architects, landscape architects, engineers, designers and other consultants to advise and assist the Committee on a single project, on a number of projects or on a continuing basis. The actions of the Committee in the exercise of its discretion by its approval or disapproval of the proposed Improvements on the Community, or with respect to any other matter before it, shall be conclusive and binding on all interested parties. The Committee shall not direct or control the interior layout or interior design of residential structures except to the extent incidentally necessitated by use, size and height restrictions.

4.4 Landscaping. Each Owner shall install, maintain, repair and replace landscaping on such Owner's Lot as required by the Design Requirements. Owner shall submit a landscaping plan to the Committee as part of any submittal for approval of a primary residential structure. The Owner shall complete the front and side yard landscaping in conformance with the landscape plan approved by the Committee within thirty (30) days after substantial completion of the primary residential structure. The rear yard landscaping must be completed within six (6) months of substantial completion of the primary residential structure. If installation of landscaping is made impractical by inclement weather, the completion of landscaping may be deferred for a reasonable period of time in the discretion of the Committee (but shall be completed no later than the next April 30th following occupancy). All Owners shall install, maintain, repair and replace a timer-controlled automated irrigation system, which shall be operated in accordance with any rules adopted by the Association. No fences, hedges or retaining walls shall be installed or maintained on any Lot unless approved by the Committee.

4.5 Expenses. All expenses of the Committee shall be paid by the Association. The Committee shall have the right to charge reasonable fees for applications submitted to it for review, in amounts which may be established by the Committee from time-to-time, and such fees shall be collected by the Committee and remitted to the Association to help defray the expenses of the Committee's operation, including reasonable payment to each member of the Committee for their services as provided herein. Each Owner, by submitting a design review application to the Committee, agrees to pay any additional reasonable fees based on costs incurred by the Committee in retaining consultants for the review and approval of the Owner's application(s).

4.6 Variances. The Committee may authorize variances from any of the Design Requirements when the Committee deems it desirable to address special circumstances, such as topography, natural obstructions, hardship, aesthetic considerations, existing conditions or other

circumstances. The granting of a variance shall not waive any element of the Design Requirements for any purpose except as to the particular property and particular provision covered by the variance. Approval of a variance shall not affect the Owner's obligation to comply with this Declaration or applicable law.

4.7 Committee Approvals. The Committee's approval of any Improvement does not mean the Improvements will be permitted by applicable law, approved by the applicable governmental authorities or others. The Committee shall not be responsible in any way for any defects or errors in any plans or specifications submitted, revised or approved, nor for any structural or other defects in any work done according to such plans and specifications.

4.8 Immunity; Indemnification. The Committee's members, agents and employees shall be immune from liability and entitled to indemnification as set forth in Section 2.8 hereof.

ARTICLE 5 ASSESSMENTS

5.1 Covenant to Pay Assessments. Each Owner covenants and agrees to pay when due (without deduction, setoff, abatement of counterclaim of any kind whatsoever) all Assessments or charges made against such Owner or such Owner's Lot pursuant to the Community Documents. Assessments against a Lot shall be a continuing lien on such Lot until paid, whether or not ownership of such Lot is transferred. Assessments against a Lot are also the personal obligation of the Owner of the Lot when the Assessment becomes due and payable. Such personal obligation shall remain with such Owner regardless of whether such Owner remains the owner of the Lot. Delinquent Assessments related to a Lot shall not pass to such Owner's successors in title unless expressly assumed by them. Such Assessments and charges, together with interest, costs and reasonable attorneys' fees, which may be incurred in collecting the same, shall be a charge on the land and shall be a continuing lien upon the Community against which each such Assessment or charge is made.

5.2 Regular Assessments. Regular Assessments are to be used to pay for all costs and expenses incurred by the Association for the conduct of its affairs or the exercise of any of the Association's powers, duties or obligations under the Community Documents (collectively, the "Expenses"). Without limiting the generality of the foregoing, the Expenses shall include:

5.2.1 The cost and expenses incurred by the Association for professional management of its business and affairs;

5.2.2 The costs and expenses incurred by the Association in the exercise of any of its powers under Section 2.6;

5.2.3 The costs and expenses of construction, improvement, protection, insurance, maintenance, repair, management and operation of the Common Area and all Improvements located in other areas that are owned, managed or maintained by the Association;

5.2.4 An amount to fund adequate reserves for extraordinary operating expenses, contingent risks or liabilities (such as indemnification and defense expenses), capital repairs, capital replacements and any other expenses for which the Board deems prudent to fund a reserve.

The Association may, in its discretion or as provided in the Community Documents, require payment of Regular Assessments in monthly, quarterly, semi-annual or annual installments. Each Owner shall be assessed and shall pay an amount computed by multiplying the Association's total

advance estimate of Expenses by the fraction produced by dividing the number of Lots owned by such Owner by the total number of Lots not then exempt from Assessment.

5.3 Special Assessments. If the Board determines that the Regular Assessment for a given calendar year is or will be inadequate to meet the Expenses for such calendar year for any reason, the Board may levy a Special Assessment to collect the additional funds needed to meet the Expenses for such calendar year. Special Assessments shall be levied and paid upon the same basis as Regular Assessments; provided, however, the Association shall, in its discretion, set the schedule under which such Special Assessment will be paid, which schedule may be different than Regular Assessments.

(a) Start-up Development Assessment: Upon the acquisition of recorded title for the first residential structure on any such building lot, such first owner shall pay the Association, at the closing of the transfer an initial start-up fee equal to Three Hundred Dollars (\$300.00). This fee shall be a one-time initial start-up fee and shall not be prorated for anytime left in the calendar year following closing. This start-up fee shall be paid in full regardless of the time of year of the closing and is in addition to the prorated Regular Assessment referenced herein. From this start-up fee, Association shall pay all of the initial attorney fees, accounting fees, recording fees and filing fees relating to the creation of this Declaration and the Association and the filing and recording thereof. Association may, in Association's sole discretion, use any remainder of the start-up fees for the general maintenance requirements of the improvement located on the Common Area, or for any other purposes or uses of any kind in connection with the Shelburne Subdivision.

(b) Transfer Special Assessment: Upon each transfer of a Building Lot or Residential Structure and the recording of the deed in connection of such transfer, each buyer (which buyer shall be the Owner upon recordation of the deed) at closing shall pay the Association a Special Transfer Assessment of Two Hundred and Fifty Dollars (\$250.00) which shall be used for general Association purposes. Specifically exempt from paying the Transfer Special Assessment (a) the initial builder of a residential structure on any such Building Lot; and (b) the first owner other than the Grantor and the initial builder.

5.4 Limited Assessments. Notwithstanding the above provisions with respect to Regular Assessments and Special Assessments, the Association may levy a Limited Assessment against an Owner (a) for any Fines, fees or charges levied against the Owner under the Community Documents; (b) to reimburse the Association for any costs incurred to bring the Owner's Lot or any Improvements thereon into compliance with the Community Documents; (c) to reimburse the Association for any damages caused by an Owner or its tenants, occupants, guests, invitees and contractors to any Common Area or Improvements owned or maintained by the Association; and (d) for the cost of providing any goods or services under the Community Documents that benefit such Owner or Owner's Lot, but less than all Owners or all Owners' Lots.

5.5 Assessment Procedures. The policies and procedures for Assessments (such as notices, payment methods, installment options, late fees, interest charges, collection fees, payments on sale of Lots and other matters) shall be as set forth in the Bylaws or Community Rules; provided, however, the Association shall provide Owners with not less than fifteen (15) days and no more than thirty (30) days of

prior notice before any Board meeting for the purpose of levying a Special Assessment or increasing the Regular Assessment by more than ten percent (10%). No Fine shall be imposed in violation of Idaho Code § 55-115. Once a Fine is imposed in accordance with Idaho Code § 55-115, the Association may levy a Limited Assessment against the Owner therefore in accordance with this Section 5.5.

5.6 Assessment Liens.

5.6.1 Creation. There is hereby created a continuing claim of lien with power of sale on each and every Lot to secure payment of any and all Assessments levied against such Lot pursuant to the Community Documents, together with interest thereon at the legal rate in Idaho and all collection costs and attorneys' fees which may be paid or incurred by the Association in connection therewith. Upon default of any Owner in the payment of any Assessment related to a Lot, the Association may record a claim of lien against such Lot in accordance with applicable law (currently, Idaho Code § 45-810). Each delinquency shall constitute a separate basis for a claim of lien, but any number of defaults may be included within a single claim of lien. Such claim of lien may be foreclosed in any manner permitted by applicable law. Upon payment of such lien in full, the Association shall prepare and record a release of such claim of lien.

5.6.2 Subordination to First Trust Deeds. Upon recordation of a claim of lien for delinquent Assessments in accordance with applicable law, such lien shall be prior and superior to all other liens or claims created subsequent to the recordation of the claim of lien except for (a) liens which, by law, would be superior thereto and (b) the lien of a first deed of trust or first mortgage given and made in good faith and for value that is of record as an encumbrance against such Lot prior to the recordation of a claim of lien for the Assessments. Except as expressly provided in this Section 5.6.2, the sale or transfer of any Lot shall not affect the Assessment lien provided for herein, nor the creation thereof by the recordation of a claim of lien, on account of the Assessments becoming due whether before, on, or after the date of such sale or transfer, nor shall such sale or transfer diminish or defeat the personal obligation of any Owner for delinquent Assessments as provided for in this Declaration.

5.7 **Exemptions**. All Common Area and any Lots owned by the Association shall be exempt from Assessments. Grantor shall be exempt from Assessments as set forth in Section 9.5.

ARTICLE 6 RIGHTS TO COMMON AREAS

6.1 **Use of Common Area**. Every Owner shall have a right to use the Common Area as set forth in this Declaration subject to:

6.1.1 The Community Documents;

6.1.2 The right of the Association to suspend the right of an Owner to use the Common Area for any period during which any Assessment or charge against such Owner's Lot remains unpaid and for a period not to exceed sixty (60) days for any infraction of the Community Rules; and

6.1.3 The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility or other party for such purposes and subject to such conditions as may be permitted by the Community Documents.

6.2 **Delegation of Right to Use**. An Owner may delegate its right to use the Common Area to the occupants of such Owner's Lot; provided, however, each Owner shall be liable to the Association

for any damage to any Common Area sustained by reason of the negligence or willful misconduct of such Occupants. The cost of correcting such damage shall be a Limited Assessment against the Lot.

6.3 Association's Responsibility. The Association shall maintain and keep the Common Area and any other Improvements owned, managed or maintained by the Association in good condition and repair.

ARTICLE 7 EASEMENTS

7.1 Recorded Easements. The Community shall be subject to all easements shown on any easements that are established or of record, including easements set forth on the Plat.

7.2 Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment as between adjacent Lots and between Lots and adjacent portions of the Common Area due to the unwillful placement or settling or shifting of the Improvements constructed, reconstructed or altered in accordance with the Community Documents. Easements of encroachment shall be valid only so long as they exist, and the rights and obligations of Owners shall not be altered in any way because of encroachments, settling or shifting of the Improvements; provided, however, that in no event shall a valid easement for encroachment occur due to the willful or bad faith acts of an Owner. If an Improvement is partially or totally destroyed, such Improvement may be repaired or rebuilt within such minor encroachments that existed prior to the encroachment and may be reconstructed pursuant to the easement granted by this Section 7.2.

7.3 Easements of Access. There shall be reciprocal appurtenant easements of ingress and egress for all Owners to and from their respective Lots for installation and repair of utility services and for necessary maintenance and repair of any Improvement, such as fencing, retaining walls, lighting facilities, mailboxes and sidewalk abutments, trees and landscaping.

7.4 Improvements in Drainage and Utility Easements. No Owner shall construct or alter any Improvements in any drainage or utility easement areas which would interfere with the easement being used for its intended purpose. Such Owners may install and maintain Improvements on such easement areas as permitted by the Community Documents so long as such Improvements are permitted by the terms of the easement and such Improvements will not interfere with or prevent the easement areas from being used for their intended purposes. No lawful user of the easement shall incur any liability to such Owner for the damage or destruction of such Improvements.

7.5 Sanitary Sewer Easements. There is hereby granted to the City of Meridian a perpetual non-exclusive easement for the purpose of accessing, maintaining, repairing and replacing those portions of the sanitary sewer system for the Community that runs on, over, across, under or through the Community; provided, however, in the event the City of Boise disturbs such easement area, the City of Boise shall promptly restore of the surface of the ground and ordinary improvements thereon (such as paving, concrete, grass and ordinary landscaping) to the condition existing immediately before such disturbance. The Association shall restore any improvements or landscaping (if any) that is not the obligation of the City of Boise to restore.

7.6 Easements Deemed Created. All conveyances of Lots made after the date of the recording of the Declaration, whether by Grantor or otherwise, shall be construed to grant and reserve the easements contained in this Article 7, even though no specific reference to such easements or to this Article 7 appears in the conveyance instrument.

7.7 **Emergency Easement.** A general easement is hereby granted to all police, sheriff, fire protection, ambulance and all other similar emergency agencies to enter upon the Community in the proper performance of their duties.

7.8 **Maintenance Easement.** An easement is hereby reserved to the Association upon, across, over, in and under the Lots and a right to make such use of the Lots as it may deem necessary or appropriate to make emergency repairs or to perform the duties and functions which the Association is obligated or permitted to perform pursuant to the Community Documents, including the right to enter upon any Lot for the purpose of performing maintenance to sidewalks, pathways, landscaping, the Drainage System, the Irrigation System and the exterior of Improvements to such Lot. Nothing herein shall relieve each Owner's obligation to maintain Improvements on such Owner's Lot.

ARTICLE 8 RESOLUTION OF DISPUTES

8.1 **Agreement to Avoid Litigation.** Grantor, the Association and the Owners agree that it is in their best interests to provide a fair, impartial and expeditious procedure for the resolution of disputes related to the Community Documents instead of costly, lengthy and unpredictable litigation. Accordingly, Grantor, the Association (including its officers, directors and committee members), each Owner and any party claiming a right or interest under the Community Documents (each, a "**Bound Party**") agree to encourage the efficient resolution of disputes within the Community without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that all claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of the Community Documents or the rights, obligations and duties of any Bound Party under the Community Documents ("**Claims**") shall be subject to the provisions of Section 8.3 unless exempt under Section 8.2. All Claims shall be subject to resolution pursuant to this Article 8 as a condition precedent to the institution or continuation of any legal or equitable proceeding; provided, however, any Bound Party may proceed in accordance with applicable law to comply with any notice or filing deadlines prior to resolution of the Claim.

8.2 **Exemptions.** The following Claims shall not be subject to this Article 8 unless all Bound Parties thereto agree to submit such Claim to these dispute resolution procedures:

8.2.1 Any Claim by the Association against any Bound Party to enforce the obligation to pay any Assessment to the Association under the Community Documents;

8.2.2 Any Claim by Grantor or the Association to obtain injunction or equitable relief to enforce any provision of the Community Documents;

8.2.3 Any Claim between Owners where the Grantor or the Association are not a party thereto, which Claim would constitute a cause of action independent of the Community Documents;

8.2.4 Any Claim in which any indispensable party is not a Bound Party;

8.2.5 Any Claim against a Released Party that would be barred by Section 2.8;

8.2.6 Any Claim which otherwise would be barred by any applicable law (such as, for example, the applicable statute of limitations); and

8.2.7 Any Claim arising out of or relating to the interpretation, application or enforcement of any purchase, sale or construction agreement with Grantor or any builder related

to the construction of Improvements within the Community, or the rights, obligations and duties of any Bound Party under such agreements, it being understood that applicable law and the provisions of such agreements shall control the resolution of any claims or disputes related thereto.

8.3 Dispute Resolution.

8.3.1 Direct Discussions. Any Bound Party having a Claim against any other Bound Party shall notify such party(ies) of the Claim in writing, stating plainly and concisely the following: (a) the nature of the Claim; (b) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises); (c) the basic facts supporting the allegations in the Claim; (d) the other persons involved in the Claim or with personal knowledge of the facts alleged; and (e) the claimant's proposed remedy, including the specific monetary amounts (if any) demanded. The Bound Parties to the Claim shall make reasonable efforts to meet in person to resolve the Claim by good faith discussions and negotiations – it being understood that the best opportunity to achieve a fair and satisfactory resolution to a Claim is ordinarily through early discussions and negotiations held in good faith.

8.3.2 Dispute Resolution. If the Bound Parties to a Claim are unable to resolve the Claim through direct discussions within a reasonable time, either Bound Party may submit the Claim to the Board for assistance in resolving the Claim. In such event, the Board may, by notice to each Bound Party to the Claim within thirty (30) days of its receipt of a request for assistance:

8.3.2.1 Order the Bound Parties to continue direct discussions and negotiations for a period of up to thirty (30) days. If the Claim is not resolved in such period, any Bound Party may request the Board's assistance to resolve the Claim;

8.3.2.2 Order the Bound Parties to mediate the Claim with an independent real estate attorney, real estate professional or judge selected by the Association. The mediator shall set the rules of the mediation. Any party to the mediation can invite additional parties to the mediation if the presence of such additional party is required for a complete resolution of any Claim. The parties shall share the mediator's fee and any filing fees equally. Unless otherwise agreed, the mediation shall be held within thirty (30) days of the order for mediation and shall be held in a neutral location near the Community selected by the mediator. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof. If the mediation does not resolve the Claim, the Bound Parties may proceed to litigation of the Claim in any court of competent jurisdiction;

8.3.2.3 Order the Bound Parties to settle the Claim through arbitration by a single arbitrator conducted in accordance with the Idaho Uniform Arbitration Act (Idaho Code, Title 7, Chapter 9) except as otherwise provided herein. The arbitrator shall be any independent real estate attorney or judge appointed by the Association. The arbitrator shall set the rules of the arbitration. The arbitrator may, in its discretion, order parties to produce documents relevant to the dispute and may order written discovery and depositions (but with care to avoid burdensome discovery or depositions). The arbitrator shall endeavor to hold the arbitration at mutually convenient times and locations; provided, however, the arbitrator shall endeavor to complete the arbitration within forty-five (45) days after appointment of the arbitrator. The parties shall bear their own attorneys' fees (if any) and share the arbitrator's fees equally; provided, however, the arbitrator may award costs, arbitrator's fees and attorneys' fees to the substantially

prevailing party. The arbitrator's award shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof;

8.3.2.4 If the Claim is within the jurisdiction of the Small Claims Department of the Magistrate Division (currently, monetary claims for \$5,000 or less), order a Bound Parties to file such Claim exclusively therein; or

8.3.2.5 Elect to exempt the Claim from this Article 8, at which time the Bound Parties are free to exercise any right or remedy in accordance with applicable law.

If the Board fails to notify the Bound Parties within thirty (30) days of its receipt of a request for assistance, the Board shall be deemed to have elected to exempt the Claim from this Article 8.

8.3.3 If the Bound Parties resolve any Claim through mediation or arbitration pursuant to this Article 8 and any Bound Party thereafter fails to abide by the terms of such resolution (i.e., settlement agreement or arbitrator's award), then any other Bound Party may take any legal or other action to enforce such settlement agreement or arbitrator's award without the need to comply again with the procedures set forth in this Article 8. In such event, the Bound Party taking action to enforce the resolution shall be entitled to recover from any non-complying Bound Party all costs and attorneys' fees reasonably incurred in such enforcement.

ARTICLE 9 INITIAL DEVELOPMENT PERIOD

9.1 **Initial Development Period.** The "Initial Development Period" shall commence on effective date of this Declaration and terminate on the day Grantor (or the assignee of Grantor's rights hereunder) no longer owns any Lots (including Lots annexed into the Community in the future) or on the day Grantor terminates its rights by notice to the Association.

9.2 **Community Management.** Each Owner recognizes that the Community will require a high level of knowledge, effort, judgment, diligence and attention during the Initial Development Period, and that level is beyond what can reasonably be expected from Community volunteers. Accordingly, each Owner agrees that it is in the best interest of the Community for Grantor to have full management authority for the Community during the Initial Development Period, including the sole and exclusive right to appoint, remove and replace directors of the Board and members of the Committee at anytime and from time-to-time in Grantor's sole discretion. In furtherance thereof, each Owner hereby appoints Grantor as its proxy with respect to its membership interest in the Association (including voting rights), which proxy shall be coupled with Grantor's interest in the Community and irrevocable during the Initial Development Period.

9.3 **General Exemptions.** Grantor may, from time-to-time in Grantor's discretion and without first seeking or obtaining the approval of Association or Committee:

9.3.1 Make modifications or Improvements on any Lot or the Common Area as Grantor deems appropriate;

9.3.2 Place or authorize signs of such size, design and number as Grantor deems appropriate for the initial development of the Community, including signs to identify the Community, display information pertaining to the Community, display information or instructions to builders, to advertise Lots and homes for sale (including sale events and open houses), and to advertise of Community elements or events;

9.3.3 Authorize any developer or contractor to use any Lot as a model home, sales office, construction office or construction storage yard;

9.3.4 Place or authorize portable or temporary structures upon any Lot or the Common Area; and

9.3.5 Establish or reserve such additional covenants, conditions, restrictions or easements on any Lot prior to conveyance thereof as Grantor deems necessary or convenient for the development of the Lot or the Community.

9.4 **Water Rights Appurtenant to Community Lands.** Grantor owns certain water rights which are appurtenant to the Community and which may be utilized in the Irrigation System. Grantor hereby reserves unto itself any and all water rights appurtenant to the Community, and Owners of any and all Lots accordingly shall have no right, title or interest in any of said water or water rights.

9.5 **Grantor's Exception from Assessments.** If Grantor owns any Lots during the first two (2) years following the date assessments are first assessed against the Owners of Lots, Grantor shall not be assessed any Regular Assessments or Special Assessments for any Lots owned by Grantor. If Grantor owns at least one Lot during such period, Grantor shall pay the shortfall, if any, in the Operating Expenses of the Association; provided, however, such obligation shall not exceed the amount that the Regular Assessments and Special Assessments that Grantor would otherwise be assessed as an Owner multiplied by the total number of Lots owned by Grantor on the date Regular Assessments or Special Assessments are assessed against the Owners of Lots. After the foregoing period, Grantor shall be assessed Regular Assessments and Special Assessments for each Lot owned by Grantor.

9.6 **Assignment of Grantor's Rights.** Grantor may assign any or all of its rights under the Community Documents to any person or entity in a written instrument that contains the assignee's acceptance of such assignment and agreement to assume any of Grantor's obligations pertaining to the rights assigned, which acceptance and assumption shall be effective upon the recordation of such written instrument recorded in the real property records of Ada County, Idaho. Grantor shall promptly provide a copy of the recorded instrument to the Association and, thereupon, be released from Grantor's obligations pertaining to the rights assigned.

ARTICLE 10 TERM

The easements created hereunder shall be perpetual, subject only to extinguishment by the holders of such easements as provided by law. The remainder of this Declaration shall run until December 31, 2040 and thereafter shall be automatically extended for successive periods of ten (10) years each, unless amended or extinguished by a written instrument signed and acknowledged by the president and secretary of the Association certifying and attesting that such instrument has been approved by the vote or written consent of Owners representing sixty-five percent (65%) or more of the total voting power in the Association and such written instrument is recorded with the Ada County Recorder's Office.

ARTICLE 11 ANNEXATION AND DEANNEXATION

Grantor may annex additional lands into the Community from time-to-time by recording a supplement to this Declaration declaring such additional lands to be part of the Community and subject to this Declaration. Such supplement may add or delete covenants, conditions, restrictions and easements applicable to the annexed lands as Grantor may deem appropriate, so long as such additions or deletions do not place an undue burden on the Association or the Community. Upon annexation, Owners within the

annexed lands shall become Owners in the Community on equal footing with the then current Owners in the Community, and shall have the same rights, privileges and obligations (except as may otherwise be set forth in the annexing supplement). Grantor shall have the right to de-annex any property owned by Grantor from the Community upon Grantor's recordation of a supplement identifying the de-annexed lands and declaring that such lands shall no longer be subject to this Declaration.

ARTICLE 12 AMENDMENTS

12.1 **Prior to First Deed.** Except as otherwise provided in this Article 12, until the recordation of Grantor's first deed to a Lot, Grantor may amend, supplement or terminate this Declaration by recording a written instrument setting forth such amendment, supplement or termination.

12.2 **Lender Requirements.** Because the availability of government supported financing is key to the success of the Community and to the ability of Owners to finance and refinance their homes, Grantor shall have the right, power and authority during the Initial Development Period and the Association shall have the right thereafter, to amend or supplement this Declaration or any of the Community Documents by written instrument, at any time and at its sole discretion, as may be reasonably necessary to comply with any requirements or conditions necessary to take full advantage of, or secure the full availability of, any financing programs offered or supported by the organizations identified in Section 2.6.13; provided, however, nothing herein shall authorize an amendment in violation of Section **Error! Reference source not found.** as otherwise provided in this Article 12,

12.3 **By Association.** Except as otherwise provided in this Article 12, any amendment or supplement to this Declaration shall be by an instrument in writing signed and acknowledged by the president and secretary of the Association certifying and attesting that such amendment or supplement has been approved by the vote or written consent of Owners representing more than sixty-five percent (65%) of the total voting power in the Association.

12.4 **Effect of Amendment; Mortgage Protection.** Any supplement, amendment or termination of this Declaration shall be effective upon its recordation with the Ada County Recorder's Office and shall be binding on and effective as to all Owners, whether or not such Owners voted for or consented to such supplement, amendment or termination. Any supplement or amendment may add to and increase the covenants, conditions, restrictions and easements applicable to the Community; provided, however, notwithstanding any other provision of this Declaration, no supplement or amendment shall operate to defeat or render invalid the rights of the beneficiary under any Mortgage made in good faith and for value, and recorded prior to the recordation of such amendment or supplement, provided that after foreclosure of any such Mortgage, such Lot shall remain subject to this Declaration as supplemented or amended.

ARTICLE 13 NOTICES

Any notices, consents, approvals or other communications required or permitted by this Declaration shall be in writing and may be delivered personally, by electronic mail or by U.S. mail. Each Owner shall be responsible for ensuring that the Association has such Owner's then current mailing address, physical address, electronic mail address and telephone numbers. Each Owner shall be deemed to have received any notice when such notice is actually received by such Owner (regardless of the method

of delivery) or when such notice is delivered to any of the addresses then currently on file with the Association. Notices delivered by U.S. Mail shall not be deemed received until three (3) business days after posting. The Association shall provide the notices addresses of all Owners to Grantor or any other Owner promptly upon request.

ARTICLE 14 MISCELLANEOUS

14.1 Interpretation. This Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of the Community. As used herein, the word "including" shall be deemed to be followed by "but not limited to" unless otherwise indicated. 14.3 Severability. Each provision of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision herein.

14.4 Entire Agreement. This Declaration is the sole agreement between the parties with respect to the subject matter herein and supersedes all prior understandings and agreements with respect to the subject matter hereof.

14.5 No Third Party Beneficiaries. Except as otherwise set forth herein, this Declaration and each and every provision herein is for the exclusive benefit of Grantor, the Association and the Owners and not for the benefit of any third party.

14.6 No Waiver. No waiver by the Association hereunder may be oral. No waiver, forbearance, delay, indulgence or failure by the Association to enforce any of the provisions of this Declaration shall in any way prejudice or limit the Association's right thereafter to enforce or compel strict compliance with the provision hereof, any course of dealing or custom of the trade notwithstanding. No delay or omission on the part of the Association shall operate as a waiver thereof, nor shall any waiver by the Association of any breach of this Declaration operate as a waiver of any subsequent or continuing breach of this Declaration.

14.7 Enforcement; Remedies. The failure of any Owner or Occupant to comply with applicable law pertaining to the ownership, use or occupancy of any Lot or the Community, or to comply with any provision of the Community Documents, is hereby declared a nuisance and gives rise to a cause of action (subject to Article 8) in Grantor, the Association (on its own and/or on behalf of any consenting Owners) and any affected Owner for recovery of damages or for negative or affirmative injunctive relief or both enforce the provisions hereof only as set forth in this Declaration. Each remedy provided herein is cumulative and not exclusive. If any party initiates or defends any legal action or proceeding to interpret or enforce any of the terms of this Declaration, the substantially prevailing party shall be entitled to recover any costs and attorneys' fees reasonably incurred therein.

14.8 **Consents and Approvals.** Any consents or approvals required or contemplated herein must be in a writing executed by the party whose consent or approval is required or contemplated. No Owner unreasonably withhold, condition or delay its consent or approval of any matter requested by Grantor, the Association, the Committee or another Owner.

ARTICLE 15

STORM WATER DRAINAGE

15.1 **ACHD Special Easement on Common Area Lots.** ACHD has partial easements over the Common Area Lot 1, Block 1, Lot 1, 18, 19 & 21, Block 2, Lots 6 & 7, Block 5 and all of Lot 17 & 20, Block 2 for drainage facilities. This easement is identified on the plat. The terms thereof are incorporated herein as if set forth in full. Improvements in these easement areas which would affect the easement are prohibited. Prior to placing any Improvements, trees, fences, or the like in these easement areas, the Owner shall first obtain approval of ACHD.

Heavy Maintenance of the Common Area Lot/Multi-use pond (Lot 1, Block 1) is to be taken care of by the HOA.

No changes in this ACHD document shall be allowed unless agreed to in writing by ACHD. These easements are for access and inspection, to retain water, and to construct, install, maintain and replace the storm water and drainage system and all facilities relating thereto. The storm drain system also includes the street gutters, drop inlets, storm drain pipes and all related facilities. The primary purpose of these storm drain easements are for the storage and drainage of storm water.

15.2 **"Heavy" Maintenance of Drainage/Retention Area.** Heavy maintenance consists of periodically inspecting the retention and drainage facility to ensure it is functioning properly; cleaning out the facility piping and mucking out the facility when the sediment level exceeds the designed storage level. All other maintenance shall be referred to herein as "light" maintenance. ACHD has opted to perform this "heavy" maintenance and shall be allowed to perform this maintenance work. In the event that ACHD shall decide not to do such "heavy" maintenance, then the Association shall do so.

15.3 **"Light" Maintenance.** The Association shall provide all "light" maintenance of the drainage/retention and easement areas as set out in the Operation and Maintenance Manual for Shelburne Subdivision. This Manual is on file with ACHD and the Association. The relevant portions of that Manual provide generally as follows:

STORM DRAINAGE FACILITIES O&M MANUAL DATED 11-28-2016

This manual outlines the duties to be performed by the Shelburne Subdivision Association for the light maintenance of the storm water detention pond.

Purpose of Storm Water Facility. The purpose of the storm water facility is to convey storm water from the streets through a system of buried pipelines to storm water detention ponds. These ponds are intended to retain storm water and percolate that water into the grounds at rates acceptable to ACHD. Any water in excess of this rates will be temporarily stored within the pond. After the storm subsides, the pond will empty at the pre-developed rate of flow.

Additions to Facility; Removal; No Liability to ACHD. Additions to the facility (if any), such as park benches, additional landscaping or other amenities shall be considered temporary and may be removed by ACHD when heavy maintenance of the facility is needed. In the event that any of these additional items are moved, ACHD shall have no liability relating to the removal and shall have no responsibility to repair or replace any items moved. The sole responsibility for the repair and/or replacement thereof shall be with the Association.

Light Maintenance. The Association shall have the duty to perform the light maintenance of the pond as follows:

Monthly Inspection of Pond. Monthly visual inspections of the ponds shall be performed by the Association to check for bank stability, water spots, and water entering the pond from adjacent property, rodent holes and bank erosion. In the event that any if these items are found, the Association shall have a licensed contractor make the necessary repairs.

Monthly Inspection of Underground Storm Drain Facilities. Monthly visual inspections of the underground storm water drain facilities shall be performed by the Association to check for clogging or standing water in or on the piping, the manholes or other structures, In the event that any of these items are found the Association shall contact ACHD so that ACHD can perform their “heavy” maintenance responsibilities.

Mowing and Maintenance of Landscape. The Association shall perform the normal surface routine maintenance such as mowing lawns, fertilization, weed control, and irrigation of any landscaping. Any lawn placed in the pond areas shall be maintained in a healthy condition.

15.4 Association Failure to Maintain; ACHD Remedies.

In the event that ACHD determines, in its sole discretion, that the Association is not adequately performing its maintenance responsibilities set out in the Manual above, then ACHD shall, before undertraining maintenance of said area, provide written notice of its intention to being maintenance after a thirty (30) day period. Within that 30 days Association may undertake to initiate and conclude all maintenance defects as identified by ACHD. In the event that the Association shall fail to commence and conclude maintenance to the extent said by ACHD, then ACHD may begin the necessary maintenance and the costs associated with the maintenance will be at the expense of the HOA.

Should ACHD engage in maintenance of the defined common area, or facility after having provided notice to the Association and having provided the Association an opportunity to undertake said maintenance, or if emergency repairs become necessary, due to HOA failure to perform its maintenance responsibilities, the Association should pay all of the costs. ACHD shall first bill the Association and if such bill is not be paid within 90 days then ACHD shall be entitled to file a taxable lien against all lots within this subdivision, with power of sale, as to each and every lot in order to secure payment of any and all assessments levied against all Lots pursuant to the CC&R's as if said maintenance had been performed by the Association. The Association shall not be dissolved or relieved of its responsibility to maintain the defined common area and facilities contained therein without the prior written approval from ACHD.

THIS AMENDMENT IS EXECUTED PURSUANT TO ARTICLE 12, Section 3 of the Declaration of Covenants, Conditions and Restrictions of Shelburne Homeowners Association recorded on July 07, 2017 as Instrument No. 2017-062838 in the Records of the Ada County Recorder, Boise, Idaho, hereinafter "Shelburne CCR'S".

ARTICLE 12, Section 12.3 of the Shelburne CC&R's provides that this Declaration may be amended by an instrument signed by not less than 65% of the total voting power in the Association.

This Amendment modifies Shelburne CCR's as follows:

Start-up Development Assessment:

5.3(a) Start-up Development Assessment: Upon the acquisition of recorded title for the first residential structure on any such building lot, such first owner *other than the builder* shall pay the Association, at the closing of the transfer an initial start-up fee equal to Three Hundred Dollars (\$300.00). This fee shall be a one-time initial start-up fee and shall not be prorated for anytime left in the calendar year following closing. This start-up fee shall be paid in full regardless of the time of year of the closing and is in addition to the prorated Regular Assessment referenced herein. From this start-up fee, Association shall pay all of the initial attorney fees, accounting fees, recording fees and filing fees relating to the creation of this Declaration and the Association and the filing and recording thereof. Rate of Assessments:

5.2.5 The Association shall assess and collect assessments from each Owner, except Declarant, based on the number of lots owned by each owner. Assessments shall be divided equally among all Lots and paid by each Owner annually. The owners of any parcels subsequently added to this Declaration shall be deemed Owners, subject to all rights and obligations under this Declaration, including, without limitation, the payment of regular and special assessments levied hereunder. Assessments not paid when due shall be delinquent and shall bear interest at the rate of eighteen percent (18%) per annum, or the highest rate allowed by the law. The Association may, at its option, publish a list of names of Owners with delinquent assessments and/or file a lien against any delinquent Lot and foreclose the lien.

Except as amended herein, the Declaration remains in full force and effect with no other change or modification.

DECLARATION OF COVENANTS, CONDITIONS, RESTRICTIONS AND EASEMENTS FOR
SHELburne SUBDIVISION**

(Annexing Shelburne South Subdivision No. 1)

THIS SUPPLEMENT TO DECLARATION OF COVENANTS, CONDITIONS, RESTRICTIONS AND EASEMENTS FOR SHELburne SUBDIVISION (this “**Supplement**”) is made as of June 9th, 2022 (the “**Supplement Date**”), by Shelburne Properties LLC, an Idaho limited liability company (“**Grantor**”).

RECITALS

A. Reference is made to that certain Declaration of Covenants, Conditions, Restrictions and Easements for Shelburne Subdivision recorded in the real property records of Ada County, Idaho on July 11, 2017 as Instrument No. 2017-062838, as amended by that certain Amendment to Declaration of Covenants, Conditions and Restrictions of Shelburne Homeowners Association recorded in the real property records of Ada County, Idaho on November 17, 2017 as Instrument No. 2017-110145, as supplemented by that certain Supplement to Declaration of Covenants, Conditions, Restrictions and Easements for Shelburne Subdivision recorded on October 28, 2020 as Instrument No. 2020-146012, and as supplemented by that certain Supplement to Declaration of Covenants, Conditions, Restrictions and Easements for Shelburne Subdivision recorded on July 19, 2021 as Instrument No. 2021-107665 (collectively, the “**Declaration**”). Capitalized terms not otherwise defined herein will have the meaning ascribed to them in the Declaration.

B. Grantor owns the real property legally described as follows (the “**Phase 6 Property**”):

Lots 1 through 7 in Block 1; Lots 1 through 11 in Block 2; Lots 1 through 13 in Block 3; Lots 2 through 37 in Block 4, and Lots 1 through 5 in Block 5 of Shelburne South Subdivision No. 1, according to the official plat thereof, as recorded in the real property records of Ada County, Idaho as Instrument No. 2022-045371 (the “**Phase 6 Plat**”).

C. Grantor is the “Grantor” under the Declaration.

D. Pursuant to Article 11 of the Declaration, Grantor desires to annex the Phase 6 Property into the Community, pursuant and subject to the terms and conditions hereinafter set forth.

AGREEMENT

NOW, THEREFORE, in consideration of the above recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby declares as follows:

1. **Incorporation by Reference.** All recitals to this Supplement are true, correct, material, and are hereby incorporated by reference as if set forth in this Section 1.

2. **Annexation.** The Phase 6 Property and each Lot, parcel, and portion thereof, are hereby annexed into the Community and are hereby subject to all of the terms and conditions of the Declaration, including the terms of this Supplement. For the avoidance of doubt, Lot 1 in Block 4 as shown on the Phase 6 Plat is not a part of the Phase 6 Property, is not annexed hereby, and is not subject to this Supplement or the Declaration.

3. **Common Area.** Lot 1 in Block 1; Lots 1, 3, and 11 in Block 2; Lots 1 and 13 in Block 3; Lots 2, 6, 12, 23, 27, and 37 in Block 4; and Lot 1 in Block 5 of the Phase 6 Property are hereby designated as Common Area.

4. **Drainage.** Portions of Lots 4 through 7 in Block 1; Lots 2 through 4, 17 through 22, and 25 through 26 in Block 4; and Lots 3 through 5 in Block 5 of the Phase 6 Property (collectively, the “**Phase 6 Storm Water Lots**”), are servient to and contain the Ada County Highway District (“**ACHD**”) storm water drainage system. The Phase 6 Storm Water Lots are encumbered by that certain First Amended Master Perpetual Storm Water Drainage Easement, recorded in the real property records of Ada County, Idaho on November 10, 2015 as Instrument No. 2015-103256 (the “**Master Easement**”), is incorporated herein by this reference as if set forth in full. The Master Easement and the storm water drainage system are dedicated to ACHD pursuant to Section 40-2302 of the Idaho Code. The Master Easement is for the operation and maintenance of the storm water drainage system. Said easement shall remain free of all encroachments and obstructions (including fences and trees) which may adversely affect the operation and maintenance of the storm drainage facilities.

There shall be no interference with the established drainage pattern over any portion of the Phase 6 Storm Water Lots, unless an adequate alternative provision is made for proper drainage and is first approved in writing by the Committee and ACHD. For the purposes hereof, “established” drainage is defined as the system of drainage, whether natural or otherwise, which exists at the time the overall grading of any portion of the Phase 6 Storm Water Lots are completed by Grantor, or that drainage shown on any plans approved by the Committee or ACHD, which may include drainage from the Phase 6 Storm Water Lots over any other Lots within the Community.

Each Owner, at the Owner’s sole cost and expense, shall be responsible for the maintenance, repair, or replacement of any storm water drainage system located on, and serving only, the Owner’s individual Lot. Such maintenance, repair, or replacement shall be done in accordance with all applicable laws, rules, and regulations, or ordinances.

Notwithstanding the forgoing, all Lots shall be graded such that all storm water and other water drainage shall run across a curb or to a drainage easement and no drainage shall cross from a Lot onto another Lot except within an applicable drainage easement.

5. **Effect of Supplement.** Except as expressly provided in this Supplement, all of the terms and conditions of the Declaration remain in full force and effect. Upon recordation hereof, this Supplement will: (i) become a part of the Declaration; (ii) run with the land and be binding upon any person or entity

having or acquiring any right, title, or interest in any Lot, parcel, or portion of the Community; (iii) inure to the benefit of every Lot, parcel, or portion of the Community; and (iv) inure to the benefit of and is binding upon Declarant and each Owner having or holding any right, title, or interest in any Lot, parcel, or portion of the Community, and their successors, heirs, and assigns. To the extent there is a conflict between the terms and conditions of the Declaration and the terms and conditions of this Supplement, the terms and conditions of this Supplement will control.
