

NJCC Summit 2025: Press Kit

ORGANIC WASTE MANAGEMENT SUMMIT 2025

The Roadmap for Food Waste Recycling

October 15, 2025 | 8:30 - 4:30pm | Rutgers New Brunswick, NJ campus

Join the movement!

We've created this **Press Toolkit** to help you spread the word about the **NJCC Summit 2025**—New Jersey's premiere event for composting, organics recycling, food waste recovery, and climate-resilient solutions.

Whether you're attending, speaking, sponsoring, or exhibiting, this kit includes ready-to-use content to help you amplify your involvement and connect with other sustainability leaders.

Download and share our social graphics—each one is optimized for LinkedIn, Instagram and Facebook.

Feel free to copy the sample captions provided (some are customizable!) or craft your own. Just don't forget to include the official hashtags to join the conversation and maximize your reach.
