

June 2026

Wichita Mountain Quilt Guild

From the Desk of our President:

I don't know about you, but it seems like I blinked and suddenly the year is half gone. If you missed out on the class we had in June, you missed a great time! The project was great and the fellowship was even better. The June class was the kind of moment people look back on and say, "Yeah... that was special." A solid project is great, but when the fellowship hits just right, that's the part that sticks with people long after the calendar flips.

The month of July will be crazy busy for me. I fell this week, and Urgent Care thinks my wrist is broken. I'll try to find out for sure while I get ready for my granddaughter's wedding this month. Falling really throws off my whole rhythm right when I need things to be smooth, but I'm taking it one step at a time.

The July meeting on the 13th is exactly the kind of bright spot I need in a month that's otherwise throwing a lot at me. A mystery demonstration of a disappearing "something" has the perfect mix of curiosity and fun — people love walking into a room knowing they're about to see something they can't quite predict. It gives the whole meeting a little spark.

I hope to see you there!

Upcoming Program For Wichita Mountains Quilt Guild

Happy Birthday America! Cris and I love our country. We are veteran wives and proud of it. Our young country has seen some things in its life, but it is still here. God Bless the US.

Now having said that let's talk about the cool wreath from the last program. The wreath was quick and easy with a side of adorable. Those who came to the meeting really enjoyed the idea and plan to make one for themselves. The wreath idea would work for any holiday. I really want to make one for Halloween.

The mystery class was awesome, I stepped out of the box, and I believe those who attended had a great time. We had a pattern from Ribbon Candy Quilt company and we went for it. I hope everyone who has theirs done brings them to meeting. Drag and Brag needs some American beauties. I absolutely love how giving quilt people are, we share our knowledge and our love of quilting every time we fellowship. That is the best gift of our art form.
