

June 2026

Wichita Mountain Quilt Guild

From the Desk of our President:

summer is officially upon us, and it feels like the year is already racing by. I hope everyone enjoyed a wonderful Memorial Day with family and friends. I spent the day with my youngest grandson, and together we crafted Minecraft characters out of cardboard. It was a fun (and surprisingly creative) adventure — a welcome change from my recent routine.

My mother is still in rehab, so much of my time has been devoted to making repairs to her home. It's been a busy season, but moments like those spent with my grandson remind me to pause and appreciate the bright spots along the way.

I am thrilled for this month's program, where we'll be treated to some of Dee's fabulous and patriotic ideas for celebrating our nation's 250th birthday — a milestone truly worth cheering!

As a reminder, we will meet on Friday, the 12th of June, instead of our usual Monday evening. There will also be a class on Saturday, the 13th of June. It's shaping up to be a fun and lively weekend, and if you haven't signed up yet, there are still a few spaces available!

I would absolutely love to see you there — it's going to be a wonderful weekend filled with creativity, fun, and great company!
