

Wichita Mountains Quilt Guild

Bringing quilting and fiber arts to everyone

Dear Guild Members,

Until the new President and Executive Board Members begin their journey, I would like to remind you that we have been convening our meeting at 6:30 since we started back last summer. The reason for that is since we cannot serve food that comes from our homes until such time as is deemed agreeable and safe, we have been meeting at the usual time that we formerly gathered for our snacks for our meeting that began at 7:00. Please try to be at the Fellowship Hall of FBW before 6:30 so our meeting can begin on time.

Before we have the report from our Nominating Committee, we will have a short business meeting. Hopefully, it will not last very long. I hope we have several brag and drag items to share from recent workshops and the OQSO Spring retreat last weekend.

The treasurer's report for the last few months has been left up to me since I am on the account at City National Bank and the treasurer's books and historical records have been in my position since December. We have paid our Insurance bill of \$525 and reimbursed Lenor Davis for our Christmas meals she paid for in December. No other bills have been presented.

It has been my pleasure to serve our Guild these last two years. Thank you for that privilege and pleasure. My support and service to our Guild will continue in other areas for the coming year.

Yours Truly,
Nancy Wicker

March 2021 Guild Meeting

The meeting was called to order at 6:45 p.m. by President Nancy Wicker. We had no guests and 19 members were present when the meeting was called to order.

We had one March birthday. Happy Birthday to Sarah!

A motion was made by Jan Wayman and seconded by Vicki Nightingale to approve the February meeting minutes. All approved the motion. There was no treasurers report.

We will have a quilt show February 18 and 19th 2022. Tickets are available for the Raffle Quilt and the American Girl Doll. The quilt is a queen-sized quilt. Dimensions are not listed on the tickets at this time. Sue Turk was the Vendor Chairman, but she will be moving this summer. We are looking for a volunteer to replace her for the show. The quilt show board is discussing allowing more than one quilt in each category per person.

Thank you to Jan Wayman for opening the building for our meeting tonight.

Please keep Mary Kunert in your prayers. Her cancer is back after four years.

Kathy Hepner asked the members present if they would be interested in window decals advertising the quilt show.

We will have nominations for a new board for the Quilt Guild. The President, Secretary, Treasurer, and Program Chairman have all reached their limit for their current office. Please help support our guild.

No old or new business was presented.

The program for this month was the second half of Cris Ross's program from fantasy to reality. How to plan out a quilt and determine the yardage needed. She discussed how to determine how many strips you would need based on the size of the squares used in your blocks. This was a great program.

After the program, we had drag and brag. Several wonderful projects were shown.

The meeting closed.

Who does need more fabric? Sue Scammahorn, a member of the WMQG, is selling her stash of fabric. Those who remember her knows she had lots and lots of fabric. The sale is April 16 & 17th from 9-4 at 520 S. Myers Rd, Apache. Sue and her husband is currently residing at Sienna Extended Care, Room 205, 9221 Harmony Drive, Midwest City, OK 73130.

Barbra Johnston was sent a card on the loss of her mother-in-law and long time member, Mary Kunert

Programs

In April we will elect new officers. Be thinking how you can support our guild. Many of our current officers can not serve another consecutive term, so we will need new people to serve.

May 10th program is the instillation of officers.

AMERICAN DOLL

I have been sewing American doll clothes and accessories for the raffle doll and my granddaughter. It has been fun! At Drag and Brag I will show some except for the ones I mailed to my granddaughter. I also have found wonderful websites to make clothes, shoes, accessories, etc. Sometime we will offer a sew day to make items. Lenor and I have patterns you can use. Here are some websites you might want to investigate:

<https://www.FleeceFun.com> *This has fun items to make out of fleece which is easy to sew or glue.*

<https://www.PixieFaire.com> *This is my favorite website. Look in the Freebies for the free patterns.*

<https://www.allfreesewing.com> *I had to select miscellaneous projects, then 40+doll patterns*

<https://www.happybankkycraftymom.com> *After selecting the pattern and seeing the tutorials the pattern is available for download.*

<https://www.thriftynorthwestmom.com/> *I had to put in the search for duct tape shoes to find the American doll stuff.*

<http://manysmallfriends.com/> *I made the cutest backpack*

Please bring your items for **Community Service**

Color Explosion Quilt Show

Last month we handed out raffle tickets for the Quilt and American Girl Doll. In your packet is a picture of the quilt'. I am also attaching to the newsletter email images of each. You can print the images or show people with the phone or tablet.

The Quilt Show has several vacancies for the different committees. Please look over the list and see if you can fill any on them. The biggest need is a **Vendor Chair!!!**.
