

# Wichita Mountains Quilt Guild

Bringing quilting and fiber arts to everyone

2021

Dear Quilting Members and Friends of WMQG,

This coming meeting will be my last from 'call to order to adjournment' as President of WMQG. The Election of the new officers will take place at the March meeting, and they will be installed by me at the April meeting. The new President will then conduct the rest of the meeting. I hope you reach out to Carol Ann Johnson to volunteer to serve as an officer.

It has been my honor and my pleasure to serve you as President for these last 2 years during thick and thin. It mostly got thin in March of 2020 when we learned that the Quilt Guild members in Wagoner had been hit by some new virus and the world began to shut down and stay home. This journey together has been great and sometimes, difficult, as we opened our meetings while other Guilds did not, seemed to be a miracle. It could not have happened without the "keep our distance rules" and "wearing a face covering". I know many of our members could not attend because of family concerns and health issues. I was so grateful that those at home could join us for our November speaker on Zoom and the program by Cris Ross on FB.

You are the best quilters and friends a woman could have! Thanks for the two years.

Great  
teachers  
set great  
homework!

Don't forget to do your homework!!!!

Draw a simple table runner or small quilt. We will be turning your fantasy into reality.

## February Meeting

After getting off to a late start at the February meeting, I forgot to have someone take minutes in the absence of our secretary. Cris Ross made a motion to accept the January minutes as written in the newsletter and Jan Wayman seconded the motion. The eleven members present voted to approve. We also had some members join us by Facebook live for an informative program by Cris Ross. Meeting was brought to a close with drag and brag.

The nominating committee met after the meeting. As of now, we have a nominee for Vice President, Jackie Harman, and Secretary, Kathy Burnett. The offices of President, Treasurer and Programs will be filled from the floor at the April meeting. Please think about being an officer for the guild.

Respectfully,  
Carol Johnson, Vice President

## Another First for the WMQG

Another first for the WMQG, the program at the February meeting was seen live from people who did not attend the meeting in their homes. Cris Ross presented the program while it was being shown on Facebook Live. Cris did an excellent job in not only presenting the program to the members who attended the meeting but on the Facebook live. At this time 271 people have seen the video. Here are some of the comments:

*Sue Turk* Thank you Chris. Fantastic job!

*Marilyn Sikes* Thank you.

*Shirley Liles* You're a good teacher Cris

*Vickie Ludiker* Hello from Tulsa

*Barbara Johnston* Cool block. Yay! Great class

*Jacqueline Holman* Awesome Teacher Love this class. Watching from Texas

*Karla French* Hello from Tipton.

*Peggy Coe* Good job Cris Ross! Watching in my jammies from Medicine Park.

*Pam Wisner* Margarita, a blanket and a guild program at home.

As you can see the program was enjoyed by our members at home and quilters from other areas. Thank you Cris

Next month Cris will present the second part also on FaceBook Live.

# Programs

For March Cris will explain how to determine the amount of fabric needed to make the quilt you design. You will need a calculator or extra paper for math. Looking forward to getting creative juices flowing. Don't forget to bring your drawing of a quilt or table runner. This program will be offered on Facebook Live at 7:00 pm.

In April we will elect new officers. Be thinking how you can support our guild. Many of our current officers can not serve another consecutive term, so we will need new people to serve.

**Who does need more fabric?** Sue Scammahorn, a member of the WMQG, is selling her stash of fabric. Those who remember her know she had lots and lots of fabric. The sale is April 16 & 17th from 9-4 at 520 S. Myers Rd, Apache. Sue and her husband is currently residing at Sienna Extended Care, Room 205, 9221 Harmony Drive, Midwest City, OK 73130.

Donna Klein will have items for community service to be made. Please take one or two items.

## Community Service

In case you are wondering what the significance of the symbol on the right. It is National Women History Month. March the 8th is International Women's Day which is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality. This day has been celebrated for over 100 years.

Have you ever heard of Quilt Hub? The QuiltingHub Network promotes quilting worldwide. We help quilters find quilting resources.
