

Dear WMQG Members,

*I never thought October would arrive and bring Winter with it! Not sure we are going to have an autumn at all.*

*Some of our members attended a 'Jenny on the Road' event in Bartlesville during October. It was a fabulous opportunity to hear her story and teach us how easily it can be to use pre-cuts to create new, interesting and familiar quilt patterns.*

*If you missed the President's Challenge in the newsletter in October, look further in the newsletter for the directions. The deadline for completions is the April meeting.*

*There are members of our Board and Committees who make a concerted effort to send articles to our Newsletter Editor, Vicki Nightingale who puts all of that together and produces a very informational, easy to read, and inviting newsletter that engages its members. Please read your newsletter before coming to our meeting. It would certainly help in taking care of housekeeping and the business meeting so we could spend more time with our program.*

*Growing our membership takes many hands to succeed. Invite other sewers you know or call a former member to come to a Guild meeting. This month will be a trunk show of the teacher for our November workshop. We cannot depend on the newspaper and radio to meet our need for new members.*

*"Sew" glad to know you.*

### From Hobby Hill House in Bowie

Hello everyone!

We are very excited to announce the release of the new website. It is at the same address:

[www.hobbyhousehill.com](http://www.hobbyhousehill.com)

I can't believe it has been a year since Cindy retired! It has been a fantastic year of learning and meeting new friends. I have enjoyed getting to know everyone. Just in case you are wondering, Cindy is still here helping out at least once a week and handling our bi-monthly Mon-Wed retreats.

Please have a look at the new site! If you haven't been on the Hill in the last year, it is time for a visit! I would love to meet you.

Happy crafting!  
Di Anna Hull

## *Sewcial, to be or not to be?.....*

*Diane has had to take a step back for a while from the Sewcials. We have had some discussion to continue. For those who attend, they want to keep it going. I am able and willing to keep the Sewcials going, but there will need to be some changes. I would need to share the load. Therefore, the next Sewcial is a GO. We will meet in the portable on November 15th, from 10-2. I will bring some flat construction patterns of doll clothes and we can make some quick outfits for our raffle doll. You can bring some seasonal, or fun fabric for these outfits. It will only take small yardage or scraps. A fourth of a yard will go far. The doll clothes usually take about 30 minutes to make an outfit, so bring whatever you would like to sew on as well. We will continue our snack lunch, so bring something yummy to share. We will discuss how we can share the responsibilities when we meet. Thank you to all who have been faithful and Thanks to Diane who had the vision.*

### QUILT TIP

When sewing four-patch squares, the fabric can easily become bulky instead of laying flat. To remedy this, you can make a spinning intersection. Break the thread in the middle seam of the square and fold up. Press so that the seams are all rotating around the square in the same direction.
