

LAUNDRY BIO-WASH

PERFORMANCE DETERGENT ENRICHED WITH PROBIOTICS

-PRODUCT INFOSHEET-

WASHING WITH THE POWER OF NATURE

Traditional laundry detergents can leave a chemical residue on clothing and fabric by as much as one scoop in ten washing cycles, which can further provoke allergies and wearing discomfort.

Produced responsibly from 100% bio-based natural ingredients, our probiotic-enriched Laundry Bio-Wash Liquid is designed to free the fabric from detergent residues while maintaining skin-friendly action.

Furthermore, the action of our proprietary blend of active probiotics provides residual efficiency against everyday dirt and odor. Completely and readily biodegradable and hypoallergenic. Protects the fabric and its color. The product is suitable for both white and colored fabrics.

Our aim is to provide cleaning and personal hygiene products that contain no chemicals of high concern. We offer a sustainable and green substitute for the existing polluting and irritant products on the market. Our products use the latest developments in the domain of biochemistry and biotechnology, whose effects are accelerated by the use of Probiotics as a feature that renders surfaces hygienically clean long after they have been treated.

CONTENT	16.9 / 33.8 / 169 fl.oz
PACKAGING TYPE	16.9 fl.oz-PP bottle with screw cap 33.8 fl.oz-PP bottle with screw cap & dose cap 169 fl.oz-Cardboard box with tap
INGREDIENTS	Aqua purificata Probiotic Blend Bacillus Subtilis Amphoteric surfactants <15% Anionic surfactants <15% Alcohol (organic) Sodium bicarbonate (E500) Sodium chloride (salt) Parfum Potassium sorbate (E202) Citric acid (E330) Sodium citrate (E331) Micro-organisms (non-pathogen, Risk-group 1, EU QPS List)
NORMS SDS	ISO 11014-1
STORAGE TEMP	5°C < 25°C 5°
DILUTION	RTU
SHELF-LIFE	Product shelf-life is 12 months in an unopened bottle and 4 months after opening the same container.
PHYSICAL STATE	Transparent Colorless Liquid

PRODUCT FEATURES

Ready-to-use product (RTU)

Works best in lukewarm water (30-60 °C).

PRECAUTIONS

Supervise children under 6 years of age when using this product to avoid swallowing - Store below 77°F –
