

# BIOLOGICAL NATURAL STONE

## PRODUCT INFORMATION SHEET

### Clean with the power of nature!

Suitable for all types of natural stone floors. Efficient in removing dirt, stains and odors. Preserves floor texture and provides deep cleaning. Best results with repeated use. Also suitable for daily use. 100% natural, organic and vegan product with eco benefits. Creates a protective layer. Completely biodegradable. Harmless to humans, animals and the environment.

The mission of EQS is to provide cleaning & personal hygiene products that contain no chemicals of high concern and are a green substitute for the existing polluting and irritant products on the market. EQS is committed to harnessing the power of nature (probiotics) and leveraging advances in biochemistry and biotechnology to reduce the environmental impact of the consumer cleaning products industry.

<b>SIZE</b>	500 ml / 1 ltr / 5 ltr
<b>MATERIAL</b>	500ml PP bottle with spray cap 1L PET bottle with screw cap 5L liner in cardboard box
<b>INGREDIENTS.</b>	Aqua Probiotec strain Bacillus Subtilis Anionic surfactant (biobased)  Amphoteric surfactant (biobased)  Parfum  Food-grade preservatives (E202), (E330), E331), (E332)  Contains Micro-organisms (non-pathogen, Risk group 1, QPS EU list)
<b>NORM SDS</b>	ISO 11014-1
<b>STORAGE TEMP</b>	5°C < 25°C
<b>DILUTION</b>	Ready to use or dilutable max. 1: 50
<b>EXPIRY DATE</b>	The shelf life of the product is 12 months after production in closed packaging and 4 months after opening.
<b>PHYSICAL STATE</b>	Liquid

# HIGH-TECH PROBIOTICS

These are good bacteria that break down THE molecules of dirt and odor into digestible components. This further serves as food for the probiotic bacteria and is broken down into mainly two natural compounds: oxygen and water.

PROBIOTIC Bacteria are so small that they are invisible to the naked eye but perform great feats. In fact, PROBIOTIC bacteria can digest all kinds of dirt. This not only happens when the cleaning product is applied, but because of the active bacteria, it continues to have an after-effect for a long time. This allows you to clean in an eco-friendly, efficient, safe and sustainable way.

## PROPERTIES

100% Natural, Eco-Friendly & Bio-Degradable - Laboratory and in-situ tested - Free of SVHC and VHC chemicals (Free of endocrine disruptors, PBT & vPvB, PMT & vPvM substances, pesticides, bleach, chlorine, phosphates, volatile organic compounds VOC)– Free of palm oil – Free of dye.
