

A GLOBAL HEALTH & SUSTAINABILITY HUB

BIOLOGICAL TOILET GEL

PRODUCT INFORMATION SHEET

Clean with the power of nature!

Toilet gel efficient in removing dirt, urine splashes and odors. Provides deep cleaning. Best results with repeated use. Also suitable for daily use. 100% natural, organic and vegan product with eco benefits. Fully biodegradable.

The mission of EQS is to provide cleaning & personal hygiene products that contain no chemicals of high concern as a green substitute for the existing polluting and irritant products on the market. Using the latest developments in the domain of bio-chemistry and bio-technology, the effects of the use of our products are accelerated by incorporation of Probiotics as a component that renders the surfaces hygienically stable long after they have been treated.

SIZE	750 ml
MATERIAL	750ml PP bottle with screw cap
INGREDIENTS	<ul style="list-style-type: none">☑ Aqua☑ Probiotec blend B. Subtilis☑ Amphoteric surfactant (biobased)☑ Perfume☑ Food-grade preservatives (E202) (E331), (E270)☑ Natural thickener☑ Micro-organisms (non-pathogen, risk group 1)
NORM SDS	ISO 11014-1
STORAGE TEMP	5°C < 25°C
DILLUTION	☑ Ready for use
EXPIRY DATE	☑ The shelf life of the product is 12 months after production in closed packaging and 4 months after opening.
PHYSICAL STATE	Liquid

BIOBASED PRODUCTS

Products made from renewable resources & composed wholly or significantly of biological ingredients – renewable plant, animal, marine or forestry materials. In addition to facilitating increased energy independence by reducing the use of petroleum in manufactured products, use of biobased ingredients helps to reduce the introduction of fossil carbon into the atmosphere, thus mitigating potential climate change impacts.

PROPERTIES

100% Natural, Eco-Friendly & Bio-Degradable.

Free of SVHC, VOC and VHC chemicals

Free of palm oil – Free of dye

Free of endocrine disruptors, PBT & PMT substances
