

Maestrale Napoli Gloves – Size Measuring Guide

Dear Backers,

Thank you for choosing **Maestrale Napoli** gloves! Our head artisan Antonio would love to personally meet you and take your measurements, hopefully one day! In the meantime, we have put together this guide to make sure that you get the size right.

Measuring instructions:

- 1. Grab a fabric tape measure** or print this guide and cut out the measuring tape*
- 2. Measure around:**
 - Wrap the tape measure tightly around your dominant hand (your right hand if you're right-handed and left if left-handed)
 - The tape measure should wrap tightly over the top of your hand and across your palm at its widest point
 - Record the size of your hand at this point in inches or centimeters
- 3. Measure lengthwise:**
 - Spread your same hand and fingers and place the tape measure at the tip of your middle finger
 - Stretch the tape measure down to the base of your hand, holding it tight where your wrist begins
 - Record the length of your hand at this point in inches or centimeters
- 4. Identify your size using the measurement guide below:**
 - Now you have two figures in inches or centimeters (recorded at 2.c. and 3.c.)
 - Take the bigger of the two figures and match it with a Maestrale Size using the table below
 - If you are in between Maestrale Sizes we recommend that you go for the smaller one, a snug fit will give you greater mobility for the touchscreen functionality. Nevertheless, if you have thick fingers or prefer a loose fit, you may want to go for the bigger of the two sizes.

Maestrale Size	7	7.5	8	8.5	9	9.5	10
Measurement in Centimeters	18.5	19.5	20.5	21.5	22.5	23.5	24.5
Measurement in Inches	7.3	7.7	8.1	8.5	8.9	9.3	9.6

- 5. Please input all the values below into the survey**
 - The circumference of your hand (2c),
 - The length of your hand (3c),
 - The matching Maestrale size (4b o 4c),
 - The constitution of your hand: skinny/normal/thick

Please make sure that you follow this process carefully, we are making the gloves specifically for you and are therefore not able to exchange your glove size. If you have questions, please contact us at hello@maestralenapoli.com.

Maestrale Napoli team

* Printing instructions:

- Select the A4 paper format in your printing options and print at 100% scale
- Verify it is correct by placing a credit card vertically at the top right-hand corner of the paper making sure that it matches the dotted green line on the measurer
- The edges of the ruler starting at 0 may get cut out when printing and a white margin may appear. Please do not cut off this white margin
