# From The Editor

**PORSCHE PANORAMA**, our club's award winning national monthly magazine, runs a *Letters* section toward the front of each issue. PCA members communicate a variety of opinions relating to the publication, as well as what Porsche is doing corporately. A while back there was quite a discussion, both pro and con, about the advent of the PDK transmission. When the magazine changed to its present format, most members applauded the transformation, and some had the opposite reaction.

Pete Stout, *Panorama* Editor, does a fine service to our members by printing both sides of an issue.

*The Cimarron Trail* has received a few emails with comments on our regional newsletter. So far, they have all been complimentary.

Here are a few examples:

"I know how hard a newsletter is to produce. . . It is full of information, pictures, and stories, plus it is always timely. I know you need a lot of input/articles from club members to help you deliver such nice newsletters. And the importance of a good newsletter in keeping any club strong, active and vibrant, cannot be understated. Thanks for all you do in keeping the club together and moving." - Keith Kelly

"Just a quick note to let you know Bev and I appreciate the Cimarron PCA newsletter, and enjoy the new format." - Wendell Kar-Ake & Beverly Carlile

"You get better and better." - Bob Miller

"I liked the new format of *The Cimarron Trail*, little subtle changes, but very creative, great job once again." - Bill Jacobi

"Thank you for another great *Cimarron Trail*, and for the page acknowledging our (Oktoberfest) sponsors. I send it to each, which makes next year a lot easier." - Jay Anderson

I appreciate any and all comments, pro or con, and genuinely look forward to your input. My aim is always to gather and disseminate as much pertinent information as possible, in order to maximize your PCA experience.

Should any of you readers out there desire to share a Porsche story, or some technical information our members might enjoy, please don't hesitate to contact me.

Porsche products have always been on the cutting edge of technology. I submit those who drive them recognize that, and subscribe to a higher level of most everything. We want to reflect that expectation in our newsletter as well.

# President's Perspective

By Rod Nordstrom  
CRPCA President

**SPRING IS ON THE HORIZON!** We know this because the Autocross schedule is posted, and Mike Fugate, Autocross Chair, is testing new timing equipment. The cones are polished, and we are ready to go with practice sessions beginning in March. Be sure to check out the Cimarron Region PCA website, as well as this *Cimarron Trail* newsletter, for dates and time. Joy Jones, Vice President, and Kathy Hume, Ladies Liaison, have done a fantastic job of organizing and scheduling a new program of Ladies Autocross events, so Spring and Summer are shaping up.

On the Social side, we finished February with the annual Chile Cook Off and Bunco event hosted by the Arthrells. Dan and Claudia were wonderful hosts, and this year's event had the best turnout ever. March begins with the St. Patrick's dinner at Kilkenny's on March 9. Check out the CRPCA Website, and the announcement in this newsletter, for details, and be

sure to RSVP to Steve Canada.

February 19-20, I attended the Zone 5 Presidents meeting in Austin, Texas. The Texas Regions were wonderful hosts, and this was a great opportunity for exchanging ideas and discussing various events scheduled throughout the Zone 5 Regions. Hill Country PCA hosted our dinner Saturday at the Petro Lounge, a private collection and storage garage space. Check out the photos that are posted on the Cimarron Region website.

Zone 5 Rep., Lynn Friedman, and PCA National Secretary, Cindy Jacisin, provided updates on a number of national matters that are recapped below. Cindy Jacisin updated us on the status of the proxy issue I mentioned in the February letter. You will recall the PCA National Board votes were tabled at the Winter Meeting in Atlanta due to a recent ruling regarding proxy voting in organizations incorporated in Washington D.C. The measures before the board involved approval to acquire additional office space at PCA headquarters, and the adoption of a new whistle blower policy. These issues could not be approved without a quorum, and without proxy voting. A quorum was not present at the winter meeting.

PCA National has identified four options to solve the restriction on proxy voting:

1. Relocate PCA National Incorporation to a state with no proxy voting restrictions.
2. Restructure the PCA Board of Directors with Zone Reps serving as directors vs. current structure of Region Presidents serving as directors.
3. Implement teleconference technology to support meeting the quorum level requirements for PCA Board meetings.
4. Pay the expenses for Regional Presidents to attend Board Meetings.

Zone 5 Region Presidents overwhelmingly approved option 3. Once all Regions have weighed in, PCA National will outline plans to move forward with the desired solution.

Big changes are in store for what has been known as Porsche Escape events. David O'Neal, PCA National Treffen Chair, provided an update. In the past, Escape events have been organized and planned by the Regions. Escape will now be known as *Treffen*, which is a trademarked name, owned by Porsche. Treffen events will be nationalized by Porsche, and expanded to two events per year. The region that hosts the Treffen will receive revenue and be responsible for tours only. PCA will be responsible for all event negotiations, leveraging their expertise and scale. Future location selections will be made to ensure members will have event options near their locations at least once a year. Upcoming Treffen events are scheduled for Lake Tahoe, and Ashville, North Carolina.

Tuffy von Briesen, PCA National Porscheplatz/Car Corral Coordinator, provided an update on this year's Lemans at Circuit of Americas in Austin. In brief, bigger tent, more corral parking. Several CRPCA members attended the 2015 race, and look forward to the 2016 event. There will be volunteer opportunities available if any CRPCA members are interested in helping this year. PCA will have a dedicated event page on the website in the near future.

We also enjoyed an entertaining presentation by R.J. Wilmoth, PCA National Historian/Archivist, on 60 years of PCA. R.J. has spent the past 2 years sifting through boxes and sacks of various PCA photos and documents in an effort to bring together this historical review. Check out the article in the December, 2015 Panorama, as you will get a taste for all of R.J.'s hard work.

## President's Perspective (conclusion)

The remainder of the meeting centered on discussions about the updated Regional Procedural Manual (RPM,) dealer relationships, safety issues and website/social media use. With respect to safety issues, a draft of the PCA Minimum Tour Standards has been circulated to CRPCA Officers and Chairs for comment. I came away from this discussion with suggestions and feedback from other regions that will be discussed in subsequent board meetings and *Cimarron Trail* articles.

As always, please feel free to let me know if you have questions or comments regarding any of these items.

Best Regards,  
Rod

CLUB NEWS OF SPECIAL INTEREST TO THE LADIES OF THE CIMARRON REGION PCA

## Cimarron Ladies Kick-Off March Region Events

**ALL CIMARRON LADIES** are invited to Cedar Ridge Country Club, Saturday, March 5, for their “semi-regularly scheduled” Ladies Luncheon, beginning at 11:30 a.m. Why “semi-regularly?” Sometimes they’ll skip a month if the calendar is already laden with events, especially during holiday periods.

With no pressing items on the agenda, Saturday’s get-together will be a great way to share stories with fellow PCA ladies, in a nice setting, over a tasty meal. Doubtless the next day’s Ladies Autocross practice will be discussed, as well as the remainder of the upcoming March club events.

Please R.S.V.P. to Kathy Hume, Cimarron Region Ladies Liaison, at 918.636.4156, or by email at [loves2read12@cox.net](mailto:loves2read12@cox.net).

The poster features a track diagram with 10 numbered turns. In the top right corner is the logo for the Cimarron Region Porsche Club, Eastern Oklahoma Chapter of America. The main title 'Mayfast 2016' is prominently displayed in a large, bold, black font. Below it, in a smaller font, are the words 'Driver Education' and 'Hallett Motor Racing Circuit'. To the right of the track diagram, a yellow box with a red border contains the following text: 'April 30 & May 1', 'Registration Opens', 'March 1 (members)', and 'March 14 (all)'.

**HOW OFTEN** do you get a once-in-a-lifetime opportunity every year? When and where can you really drive your Porsche the way you'd like, without being concerned with getting singled out for personal visits with law enforcement officials? How will you ever learn the safest and most efficient cornering techniques, when to brake, when to nail it as you come out of a turn?

**MAYFAST**, that's where! April 30-May 1, Cimarron Region PCA presents its annual Driver Education event at Hallett Motor Racing Circuit. DE isn't a race, so not to worry about your Porsche. Safety is the number 1 priority, and first-timers will attend a required classroom session, in order to learn all the "rules of the road." With drivers separated into 5 groups according to experience, you'll share the

track with a limited number of similarly skilled drivers in each of your 15-20 minute track sessions. After the classroom session, novices will be accompanied by an experienced instructor. He or she will introduce you to all facets of track driving. Not only will you have the time of your life, but you'll become a better, more confident driver in everyday situations.

DE is also a good excuse to ensure your Porsche is track ready, which additionally makes it safer for day-to-day operation. You'll want to closely read the Tech Sheet well before the event, and see to it that your car is good to go! There is nothing unusual on that Tech Sheet. And you want your car to perform at its optimum capability. So you'll check tire tread and pressure, brake fluid, brake pads, etc. All in all, it's a

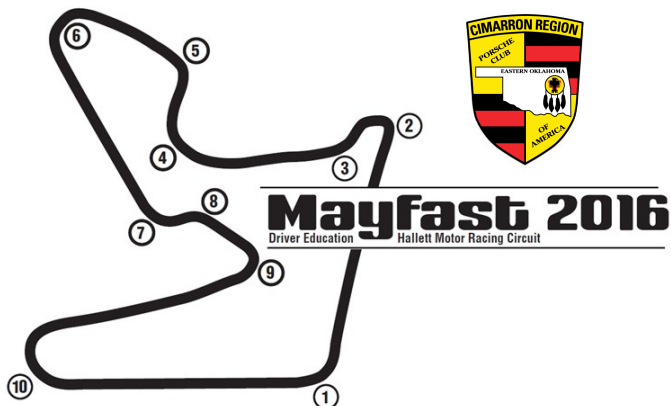

win/win for you and your Porsche!

The Novice class is only offered on Saturday, April 30, and is required for first-timers. You may sign up to drive on both Saturday and Sunday, or on only Saturday or Sunday. But, to repeat, all Novices must complete the classroom session on Saturday morning.

**STILL NOT CONVINCED**, but curious? Try the new "**Taste of the Track**," Sunday afternoon, May 1, beginning at 2:30 p.m. For only \$25, you'll receive an informative classroom session, a Mayfast t-shirt, and then a ride along with an instructor at moderate speeds, around the Hallett Circuit. Taste of the Track is an excellent way to see what you've been missing. You will probably want to participate at your next opportunity!

## News - Scores - Schedule

*Reported by Mike Fugate - CRPCA Autocross Chair*

### ON YOUR MARKS, get set, GO!

Our Cimarron Ladies have the first dibs on their own Autocross Orientation Day, March 6.

The following 2 weeks, the 2016 Cimarron Region Autocross season, open to all members, begins with 2 practice sessions,

March 13 and 20. Events will again be held on the parking lot on the west side of Corporate Woods, 4500 S. 129th East Ave., Tulsa.

Course set-up begins around 8:30 a.m., and timed runs start about 9:30. Per our agreement with Corporate Woods, we will vacate their property by 12 Noon (usually earlier.)

Qualifications to participate include being a PCA member in good standing, be a minimum of 18 years of age, and have a valid driver's license. An "SA" or "M" rated helmet is also required; a few loaners will be available at the site.

If you are curious, but have never been to one of these events, lack of prior experience is no reason to

miss out. Experienced drivers are always willing to ride along with you, and show you the "ropes." Driving "against the clock" is the perfect way to learn car control and bolster your confidence behind the wheel, which is invaluable in any kind of motoring situation. You will be on the course by yourself, which heightens the safe nature of this type of event. (Additionally, if you're considering Mayfast Driver Education this year, autocross is an excellent way to get a head start on many skills you will need on the track.)

Participants who attend at least 8 events will receive a 2016 Autocross shirt at the Christmas Party in December. For more serious competitors vying for the season long championship, points from their best 8 of the 10 counting sessions will be totaled to arrive at their final scores.

Practices and clinics are FREE! Counting sessions are \$10 each.

Check this page in future issues of *The Cimarron Trail* for event results.

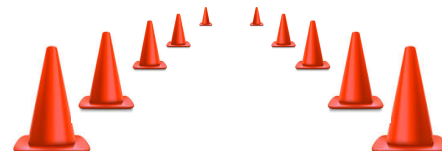

Please direct any questions or comments to me by email at [tmsmike@yahoo.com](mailto:tmsmike@yahoo.com).

**"MY NAME IS JOHN HALL**, (I go by Ed-die.) I purchased this 997 Turbo on July 7, 2015. Custom and Exotic cars have been my passion since I was young. Up until this purchase I have always bought a car with the thought of building it. My dream is to have a collection of all kinds of different cars. All my current "toys" have taken a back seat to this one since I bought it. They are collecting dust in my garage. I can't put this toy down!!! I have done a couple of things to it, including window tint, Speedtech Exhaust 3, and a Softronic ECU tune. It screams! I also added an under seat fire extinguisher, and future upgrades include lowering, and maybe a set of wheels. I am in love with this machine, and hope to add another one to my collection by talking my wife into getting one;).

## Calling All Members

**"IT'S NOT JUST THE CARS**, it's the people!" We say it all the time. So in keeping with that ideal, *The Cimarron Trail* would like to highlight members and their Porsches. We would especially like to hear from our newer members, so we can get to know

you better. Each month, when available, we'll publish capsules of your Porsche experiences. Depending upon responses, features may be tagged: New Member Profile, Member Profile, or Cimarron Region Volunteers Series. Please submit your information along with a photo or photos. If you prefer, we will schedule a time to meet you and shoot a picture or two to display with your profile. Send as much information as you would like, to [cimnews@cox.net](mailto:cimnews@cox.net). # Chili Fest/Bunco Party a Sweet n' Spicy Success

**WHEN DAN AND CLAUDIA ARTHRELL** downsized to a somewhat smaller house in 2015, many feared their run of consecutive years hosting the Cimarron Region Valentine Chili Fest and Bunco Party would end at 10. Rumor was the couple had opposite feelings whether the house was big enough to continue in 2016. And how the negotiations transpired, and which one of our hosts prevailed, is not known. One of them must have paraphrased our Porsche Club mantra, (It's not just the house, it's the people!)

Ron Snyder, Becky McFall, Mark Ingram, Paul Johnson, Phillip Dooley, Dirk Hume and Jon Jones. (Photo: Thanks to Hostess Claudia Arthrell)

As members arrived for the evening, some dropped off pet related paraphernalia for The Humane Society on the front porch. Inside folks got started with their favorite beverages, Claudia's wonderful Shrimp Ceviche, a variety of salsas, cheeses, chips and crackers. After the 20 couples got acquainted and re-acquainted, chili tasting commenced around the dining room table "buffet" filled with crock pots containing various contributed chili concoctions. Ballots were available for each person to vote for their 3 favorites.

Likewise, the dessert offerings were as unique as the chilies. The quality of all the entries was manifest with numerous moans and groans, as it was almost

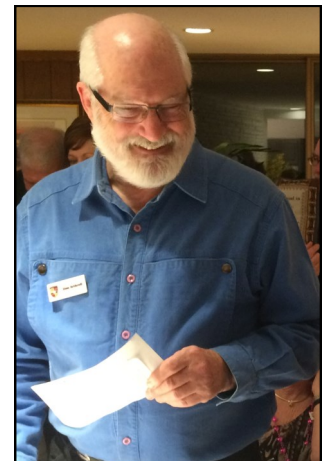

impossible, even merely sampling a "taste" of each dish, to avoid overconsumption.

After the chili and dessert ballots were cast, Bunco rules were announced, and players took seats at locations throughout the house to begin the first of 12 rounds. Individual and game score sheets were ready on each table, with pencils. And as if anyone would require a snack during play, bowls of M&Ms and nuts were close at hand.

Exclamations of joy and frustration (the happy kind,) came to a crescendo during each round, with an occasional "BUNCO!" being excitedly called out. Following each round, which lasts only a few minutes, players resembled "rush hour" traffic, as they moved from room to room, and up and down the hallway, to change tables for the next round. Competition was friendly, fun and boisterous.

When the final bell rang signaling the end of play, those in attendance commiserated and relaxed while scores were tallied. Winners of the three competitions: Chili, Dessert, and Bunco, were ultimately announced, and prizes were awarded.

Thanks to the Arthrells for making the right decision, and for opening their lovely home to our members. And to Cat Ingram and Kathy Hume for moderating the Bunco fray. It is likely a good idea to conjure up some new and tasty chili and dessert recipes for next year, and encourage Claudia and Dan to continue this outstanding Cimarron Region tradition!
