Patty Parmeter called the meeting to order at 6:00.

Acceptance of last meeting’s minutes

Patty Parmeter presented the minutes from the last meeting. Kylie Volk moved for approval of the minutes, which was seconded by Josh Ledbetter and subsequently approved.

President's Report

Patty Parmeter discussed 2026's proposed calendar. Cars and Coffee would include, every other month, a drive for lunch. Parade this year is in Lake Placid, New York. Planning is in work to have a time/distance rally. Warbonnet is planning a drive to Colorado. Warbonnet's 60th Anniversary is in December (we were part of Warbonnet until creating our own Region in 1987). Our annual Bunco & Chili Cookoff is scheduled for February. Planning to have a monthly Saturday brunch at 0900, first month will be at Big Biscuit. Discussed insurance on the Autocross trailer, Patty Parmeter will check with Mike Fugatete, since he stores and brings the trailer, if he could add it to his insurance and Cimarron Region would pay the cost. Every third BOD meeting will be at different location other than Porsche Tulsa. March BOD meeting will be a Rennsport Werkstatt.

Vice President's Report

Tim Vander Kooi mentioned that Toys for Tots this year would again be with the MB Club and that they wished to have a drive beforehand as we did in the past. He will coordinate with them. Toys for Tots will be Dec. 5th and the Holiday Party will be Dec. 6th. Voted to approve sending a deposit to Five Oaks Lodge to secure the date. David Parker will check with Mark Radcliff about playing at the dinner. Broken Arrow has a weekly car meet starting March 13th, Tim Vander Kooi will coordinate with our Facebook page.

Past President's Report

David Parker mentioned that checking account signature access needs to be updated, will work with the Patty on getting that done.

Treasurer's Report

Patty Parmeter presented the monthly and 2025 reports. Michael Thorp moved for approval of the minutes, which was seconded by Rick Hardmeyer and subsequently approved.

Membership Chair's Report

Rich Hardmeyer presented the monthly Membership Report. Josh Ledbetter moved for approval of the minutes, which was seconded by David Parker and subsequently approved.

Autocross Chair

Matt Wooten said the plan was for this year to be same as last year. Once SCCA posts their schedule, he will be able to post this year's schedule.

Driver Education Chair HPDE

Michael Thorp discussed having a Cimarron Region day at Hallett. It would be during the week, would be capped at 30 cars, one novice group, and would cost about \$400 per driver. Discussed various dates and settled on May 15th. BOD voted to approve that plan and authorized a deposit to secure the date.
