President's Corner

Well it's the holiday season and that means it's time for my last president's report. I want to thank all of our officers and chairs for helping the Cimarron Region have another great year. More importantly, I want to thank all our members who participated in events throughout the year. The national PCA slogan is "*it's not just the cars, it's the people*" and Teresa and I are true believers in that. Many of our closest friends are in the club and I encourage everyone to participate because the more you put into the club, the more you will get out of it.

We have been fortunate to see several new members get involved with the club this past year and I hope to continue to see you at future events.

In addition I want to thank all of our advertisers and sponsors. As a club, I hope you show our advertisers and sponsors your appreciation by thanking them and giving them your business whenever possible. Without their support we would not be able to do all of our great events.

Holiday Party – I want to take a minute to recap a couple of things from the Holiday Party. I think it was a huge success and if you did not attend you really missed out. The Five Oaks Lodge was beautifully decorated and provided a fantastic venue for the event. Since it sits out by itself we had the parking lot to ourselves and best of all the food was beyond everyone's expectation.

At the party we had two pieces of official business. First, I introduced our duly elected 2010 officers which include:

John Shafer – President
Randy Kaplin – Vice President
Dan Arthrell – Secretary
Rocky Naff – Treasurer

Secondly, I presented the constitutional amendment (which was included in the November Cimarron Trail) to the general membership for a vote and I am happy to report that it passed unanimously.

2010 Social Events - John and Steve are working on a social calendar for 2010 but I want to take an opportunity to let you know about the first two events which have already been set so you can get them on your calendar now. Once again, our first event of the year will be a New Member Wine and Cheese Party at the Bob and Dulce Miller's home. The event is scheduled for January 16th. The next event will be our annual chili-bunko party at Dan and Claudia Arthrell's home on February 13th.

That's all for this year, thanks once again and I hope to see you in 2010.

Autocross Update

FINAL STANDINGS FOR THE 2009 CIMARRON REGION AUTO CROSS SERIES

The results are in Gary Bernard is our 2009 Autocross Champion. Gary started the season in his very fast 914. Due to mechanical difficulties (blown engine during the October Club Race) he borrowed a 944 from Brian Thomas which he shared with Austin. Brian you're a brave guy to loan Gary this car. As would be expected Gary got the hang of the 944 rather quickly as the results have shown.

Greg Petzet finished in the number two spot just edging out yours truly for the third spot. Greg has been a real strong contender all season long. Great job Greg!

While Randy Kaplin was not able to finish out the season on the podium he did not go away empty handed. Randy barely beat me (11 cones to 8 cones) to win his second Conehead Championship award. Remember this is a traveling award and it will be looking for a new home at the end of the next autocross season.

I have enjoyed being your autocross chair, thanks to all that have helped put on this year's events. Hope to see both new and old faces at our next event. We being allowed to use the same site for 2010.

©2009 Porsche Cars North America, Inc. Porsche recommends seat belt usage and observance of all traffic laws at all times

You didn't settle when you purchased it. Don't start now.

When it comes to servicing your Porsche, get your knowledge from the source. Dedicated to Porsche vehicles above all else, Porsche certified technicians must complete over 80 hours a year training in the latest diagnostic technology and techniques. You'll also take comfort knowing all Porsche genuine parts are factory-backed for two years when installed by your authorized dealer. Better still, there is no substitute for having your vehicle serviced by professionals who not only know Porsche, but live Porsche every day.

Porsche Certified Service.
