REACH Compliance Statement

As a distributor and importer of fastener & fixing components, Browns Fasteners is required to comply with the UK and EU REACH (Registration Evaluation Authorisation and restriction of Chemicals) Regulations.

We understand the importance of this compliance particularly concerning Annex XVII and Article 33, which relate to restrictions on hazardous substances and companies' obligation to notify and educate their supply chain about the presence of Substances of Very High Concern (SVHC).

At the time of writing, we have no information indicating that any products supplied to us, or by us contain substances from the SVHC Candidate list and are compliant with the required Annex's.

We acknowledge our responsibilities as an importer and distributor and continue to monitor this and follow all RoHS / REACH related industry news and our suppliers/manufacturers updates for any changes to the lists so that we can continue to keep our supply chain informed and protected.

Any products which have a requirement to be supplied with specific data sheets, certification or safety warnings will be passed on at the time of purchase.

Should you have any specific questions or concerns regarding products sourced from Browns Fasteners, please contact us for more information.
