

FREEMASONARY

Dear Jesus,

Repentance & Forgiveness

I repent of the sins of idolatry and sinful practises, as I realise worshipping and participating in ritual ceremonies to pagan gods and being involved in corrupt and secret societies, such as freemasonry is sin and I ask for your forgiveness. Forgive me and release me from the oaths taken. I ask your mercy and forgiveness would also release my family and any future generations from the effects of my sins.

I acknowledge you are God and I worship you only. I ask you to cleanse me with your blood and I submit to you my body, mind, soul and spirit to seal for use of the Holy Spirit only.

Renounce

I renounce these practises and the oaths taken and declare I no longer participate in any of these acts and break every connection. I break this power over my life and my family and command any spirits leave, **IN THE NAME OF JESUS**. My past is under the cross and covered by the blood of Jesus.

In Jesus Name

AMEN
