

## Diet Modification Request Form

Description: The United States Department of Agriculture (USDA) reimburses home day care providers, child and adult care centers, summer food service sponsors, schools, residential child care institutions, preschools, and Head Start for meals served to participants that meet USDA requirements. The Child Nutrition Program participating home provider or organization is listed below for meals served in their program. If a participant needs to avoid specific foods for a medical reason, a prescribing licensed medical professional must document the diet modifications and sign this form.
