ARTIST STATEMENT

Chopstar creates music for movement of bodies, emotion, and culture. Rooted in South African house and shaped by global experience, his sound exists where rhythm meets intention. Each release is a chapter. Each set is a shared moment. This is not just music for the dancefloor — it's music for memory

THE NEXT CHAPTER

2026 signals a new phase, expanded international collaborations, curated live experiences, and soundscapes designed for both intimate rooms and global stages. New releases and select performances are currently in motion.
