Travel Tips

1. BE FLEXIBLE.

We always plan for delays and try not to get upset when things inevitably go wrong. Patience is extremely important when traveling!

2. MAKE A PACKING LIST.

Review the dress code for the group activities.

About a week or so before each trip, I make a mental list of items I don't want to forget — which I WILL forget if I don't write them down. I've learned that when I think of something, I need to write it down.

3. CARRY SMALL BILLS

Puerto Rico is a US territory and the currency is the US dollar. Be sure to bring small bills to tip the wait staff, drivers, tour guides and for personal purchases.

4. DON'T FORGET AN EXTRA PHONE CHARGER

There will be tons of amazing views you don't want to miss. Be sure to pack a portable charger for your cellphone.

5. NO PASSPORT IS NEEDED

For US citizens, no passport is needed, but be sure to bring a valid government-issued ID.

6. ALWAYS BUY TRAVEL INSURANCE

A medical emergency can wipe out your savings — or even worse. We use and trust Allianz for travel insurance.
