Details About Coverage:

About 25% of the competitors in an event are interested in professional stage photos. Orders are pre-pay, which enables the photographer to target the individuals who are interested in coverage and get a lot more photos of them. He focuses on capturing competitors in the peak of their poses, when they're turned at the angle that shows them at their best, when they're exhaling and showing their abs at their clearest, etc.

Coverage cost is \$80 and includes the entire event from start to finish – prejudging, finals, awards presentations, and overall comparisons. Within 10 days of the show a download password will be supplied that can be used to download digital images. Approximately 40 or more images supplied.

Images from event will be online at: **NFPHOTOGRAPHY.COM/OCB** Purchases of prints and digital files can be made from the site after the event for those who don't preorder. Note a limited number of photos are usually captured of competitors who don't preorder.

Photographer will do the very best to photograph you while on stage. Photographer has no control over the lighting in the venue, stage setup, or where the judges place you on stage during group comparisons. **-NO REFUNDS ONCE DOWNLOAD PASSWORD PROVIDED-**
