

AMERICAN
COLLEGE of
CARDIOLOGY

California
CHAPTER

Los Angeles Society of Echocardiography

Invites you to attend a Zoom meeting of:

Transcatheter Valve Therapies for Tricuspid Valve

Speaker:

Raj Makkar, MD

Vice President of Cardiovascular Innovation and Intervention

Associate Director, Smidt Heart Institute

Director, Interventional Executive Director, Cardiac Interventional Services

Cardiology, Cardiac Catheterization Laboratory

Director, Interventional Cardiology Research Program

Cedars-Sinai Medical Center

Objectives:

1. To evaluate and manage patients with a wide variety of structural heart disease with transcatheter valve therapies.
2. To understand and commit to quality assessment and improvement in procedure performance.
3. To understand the effectiveness and limitations of cardiovascular interventional procedures in order to appropriately select patients and procedure types.

Target Audience: Physicians (cardiologists, radiologists, anesthesiologists) sonographers and administrators

Wednesday January 20th, 2021

7:00 PM Presentation and Discussion
