

AMERICAN
COLLEGE of
CARDIOLOGY

California
CHAPTER

Los Angeles Society of Echocardiography

Invites you to attend Zoom meeting discussing:

Role of Echocardiography in the Suspicion and Diagnosis of Cardiac Amyloidosis

Speakers:

Richard Wright, MD, FACC
Chair, Pacific Heart Institute

and

Alberta L. Warner, MD, FACC
Director, Noninvasive Cardiology
VA Greater Los Angeles Healthcare System

Target Audience: Physicians (cardiologists, radiologists, anesthesiologists) and sonographers

Learning Objectives:

1. Understand types of cardiac amyloidosis and why it is a commonly underdiagnosed and misdiagnosed condition.
2. Learn common echocardiographic features of cardiac amyloidosis.
3. Learn role of strain imaging, tissue Doppler imaging, and integration of echocardiographic findings to improve suspicion of cardiac amyloidosis.

Wednesday October 27, 2021

7:00pm Presentation and Discussion

Registration is required, Zoom link will be available one week prior

SDMS CME credit available to LASE members
