INFORMATION ABOUT THIS OCTOBER'S HAUNTED HALLWAYS

October is one of the best months for the JROTC program for many reasons, but the biggest has to be our largest fundraiser of the year, Haunted Hallways! There will be plenty of community service opportunities such as scare actors, walking people through the halls, and selling food and drink. And if you choose not to volunteer, make sure to check it out. The most amount of money Colony JROTC raised was \$2500. Invite your friends and family to be a part of breaking that record, at Colony High School, October 24.
