## PURPOSE

The Junior Reserve Officers' Training Corps (JROTC) Program is a world-class youth leader development program authorized by Congress and executed as a partnership between the Department of Defense, the military services and local School District High Schools. JROTC Instructors are retired service members and/or veterans employed as a faculty member by your local school district who are subject to the same laws, regulations and policies as other teachers within the District. A purpose of the JROTC is to instill in students in the United States secondary educational institutions the values of citizenship, service to the United States (including an introduction to service opportunities in military, national, and public service), and personal responsibility and a sense of accomplishment.

The purpose of this form is to share the expectations of the program, the expected behavior, and unacceptable behavior of all students and instructors taking part in the JROTC program. By initialling next to each statement, you acknowledge and agree to the expected/prohibited behavior explained in each section.

## 6. EXPECTATIONS: I understand and acknowledge that:

*(Initial Student/Parent or Guardian)*

\_\_\_\_\_ / \_\_\_\_\_ a. Enrollment and participation in JROTC is purely voluntary. No representative of JROTC (adult or student), the school or school district, or other position of authority (including parents) may compel a student to participate in JROTC against their will. Students enrolled in JROTC may coordinate with their school representative to request withdrawal at any time for any reason per school policies.

\_\_\_\_\_ / \_\_\_\_\_ b. Inappropriate behavior between JROTC representatives/instructors and any student or minor, including JROTC participants, will not be tolerated. JROTC instructors are employees of the school/school district and are subject to the same high standards of professional conduct as other teachers. If I have any concern about inappropriate activities concerning either instructors or other students within the JROTC program, I will immediately notify high school administration and/or POCs identified in paragraphs 11 & 12.

\_\_\_\_\_ / \_\_\_\_\_ c. JROTC representatives/instructors shall:

c.1. Adhere to school policy where applicable with regard to entry of any students or unrelated minors into their dwelling without the written consent of the student's or minor's parent/guardian.

c.2. Adhere to school policy where applicable with regard to establishing a common household with a legally unrelated student or minor, that is, share the same living area in an apartment (does not include facilities open to all members of a homeowners' association or all tenants in an apartment complex), house, or other dwelling.

c.3. Adhere to school policy where applicable with regard to entry of any legally unrelated student or minor into privately owned vehicles. Exceptions are permitted for official business when the safety or welfare of a student or legally unrelated minor is at risk.

c.4. Adhere to school policy where applicable with regard to attending social gatherings, clubs, bars, theaters, or similar establishments on a personal social basis with a student or not legally related minor. Exceptions include inadvertent meetings at restaurants and other public places and inadvertent mutual attendance at other appropriate public places and events

**7. COMPREHENSIVENESS & EXCEPTIONS:**

The above list is not all inclusive and the Military Services may add additional prohibited activities. Prohibited activities between a JROTC Instructor/trainers and cadets listed in paragraph 6 apply from the first contact between an instructor and student through 6 months after student reaches the age of majority and/or is no longer affiliated with the JROTC program or enrolled in the high school, whichever is the latter date.

Exceptions may be granted to accommodate relationships that existed prior to the instructor's or student's JROTC affiliation. These relationships include, but are not limited to, family members. Any relations developing between JROTC representatives' family and the families of JROTC students must be declared to the school principal/school district representative. JROTC representatives wishing an exception must do so in writing to the appropriate school official and must include the JROTC student's parents/guardian's signature. Only high-level officials/authority, as designated by the host institution in consultation with the host service, has the authority to approve these exceptions. The unit will keep these documents on record while the student is enrolled in the program.

**8. VIOLATIONS:**

Violations of any part of paragraph 6.a through 6.14.iii, not granted an exception in paragraph 7, will result in a school or school district investigation, possible school or school district disciplinary action and possible JROTC instructor certification suspension or decertification. If at any time the student or parent/guardian are unwilling or unable to adhere to these expectations, the student may be removed from the JROTC program.

**9. PARTICIPATION EXPECTATIONS AND STANDARDS: I understand and acknowledge that:**

(Initial Student/Parent or Guardian)

\_\_\_\_\_ / \_\_\_\_\_ a. Initial and continued enrollment and participation in JROTC is incumbent on students understanding, acknowledging, and agreeing to adhere to expected standards and procedures.

a.1. Grooming/Personal Hygiene: JROTC students may be expected to adhere to the grooming standards of their affiliated Service while participating in JROTC activities. Accommodations, as agreed upon by both the school and JROTC representatives, may be made for religious or other specific situations. Students otherwise unable or unwilling to conform to the grooming standards may be removed from the JROTC program.

a.2. Uniform: JROTC students may be expected to wear variations of their affiliated Service's uniforms. Students participating in JROTC understand proper wear of uniforms is an integral part of the JROTC experience and agree to adhere to prescribed standards. Certain situations may require students wear "appropriate" civilian attire in lieu of standard uniforms which will be considered the prescribed uniform. Students not possessing suitable attire, should immediately notify their JROTC instructor and school representative of the situation.

a.3. Physical Fitness: Students enrolling in JROTC should expect to participate in activities that demand varying physical levels. Students requiring physical accommodations must ensure both the school and JROTC representatives are aware of the requirement and agree upon the appropriate accommodation. Per school policy, physical activities may require an athletic or similar medical/physical exam and clearance before students are allowed to participate.

a.4. Hazardous Activities: Some of JROTC's elective activities may involve hazardous environments. These include but are not limited to rifle/pistol/archery ranges, obstacle courses, and high/low rope courses. Parents are required grant permission for their child's participation using school/school district procedures. Voluntary participation/nonparticipation does not impact students' overall JROTC standing.

**10. PHOTO RELEASE:**

This consent form requests permission to use your child's photo/image and name for Junior ROTC advertising purposes to include on social and other media. Please check one of the following choices:

COLONY HIGH SCHOOL JROTC

14 August 2025

## MEMORANDUM FOR RECORD

SUBJECT: Cadet Accountability of U.S. Government Property (Army Uniforms)

1. Reference: Army Regulation 710-4, Property Accountability, dated 26 January 2024.
2. The purpose of this memorandum is to establish an understanding of a cadet's responsibilities as they pertain to care, maintenance, and accountability of Army uniforms items issued to them by JROTC instructors.
3. The first leadership lesson most cadets learn is personal accountability. Senior cadets strive to instill this value in subordinate cadets as they progress in the JROTC program. This lesson is taught using established Army Supply Discipline principles, which apply to all functions and levels of supply and to the use of funds per AR 710-4.
4. Responsibility will be assigned using the Army Form 2062 Hand Receipt (DA2062). Cadets will assume custodial responsibility of uniforms by signing the DA2062 after conducting a thorough inventory of issued items with his/her supervisor. Cadets are relieved of responsibility when the original DA2062 is returned to them.
5. Lost items. Uniform accountability is the responsibility of the cadet. Cadets are required to replace or pay for the replacement cost of all lost items. Instructors reserve the right to withhold grades until lost items are replaced or reimbursed for replacement.
6. Storage in classrooms. No cadet uniform will remain in classroom closets beyond the end of the school day; cadets will use lockers. Cadets are expected to wear the Army Service Uniform for the entire school day unless exceptions are approved by instructors.
7. The POCs for this memorandum are MAJ Richey at [brent.richey@matsuk12.us](mailto:brent.richey@matsuk12.us) or (907) 861-5542 and SFC Trevino at [peter.trevino@matsuk12.us](mailto:peter.trevino@matsuk12.us) or (907) 861-5542.
