1.3 Beauty Council members (and their employees or co-workers) who have vested interest in a business that fits into any LIBA category, are not eligible for nomination.

1.3a If a Beauty Council member does NOT have vested interest in the business they work for, co-workers ARE eligible for public nomination, but ineligible for Beauty Council nomination. Said business is NOT eligible for a Best Overall nomination, only the individuals within the business.

1.4 Beauty Council members who are or have a medical director with vested interest in a business that fits into any LIBA category, the medical director is not eligible for nomination.

1.4a If a Beauty Council member who is or has a medical director that does NOT have vested interest in the business they work for, medical directors ARE eligible for public nomination, but ineligible for Beauty Council nomination. Said medical directors business is NOT eligible for a Best Overall nomination, only the individual(s) within the business.

1.5 Send requests for removal to Bougie@BeautyAffairLI.com. Please include the business name, category or categories the business was nominated for and contact name and telephone number for verification of the request. All requests will be honored, but nominees are ineligible to return to the ballot once the request has been processed.

2.0 Nomination and Vetting Process:

To be considered for an award, participants must be nominated either through the public nomination phase or the Beauty Council's nomination process.

2.1 Public Nominations open on May 18, 2025 at 8:00 am ET and close on June 30, 2025 at 11:59 pm ET.. Anyone can nominate in each category, once per email address.

2.2 Each Beauty Council member is asked to nominate a minimum of two nominees for each category. Beauty Council members are strongly encouraged to use all resources available to make their nominee choices. If a Beauty Council member is not well versed or experienced in a particular category they may not submit any nominees in said category.

2.3 Once the Public and Beauty Council Nominee Forms have closed, nominees are

pre-vetted for eligibility. We look at numerous factors when considering nominees for the ballot, including but not limited to proper licensing and certifications, experience, ethics and location.

2.4 The Beauty Council then goes into a Deliberation Meeting, whereas we look at all nominees from the public and Beauty Council, and decide which will land a spot on the ballot.

2.5 Nominees that do land a spot on the ballot ***must adhere and agree to submission requirements***, complete either the [PROFILE](#) or [LISTING](#) form which both include a Nominee Agreement. Should you choose to utilize the profile option, nominees must pay the \$19.99 Profile Data Entry Fee before they can be positioned on the public voting ballot for January.

2.6 All nominees must complete the mandatory Nominee Agreement before October 20, 2024. Nominees that DO NOT complete the Nominee Agreement before the deadline, will not be considered for a ballot position in the LIBA voting phase. Nominees that DO NOT complete the optional Profile Form before the deadline, will not have the profile included (***NO EXCEPTIONS***) in the LIBA voting phase.

3.0 Profile Form

Please note, you will have to sign into a google account to complete the form.

3.1 The ***optional*** Profile Form will be released to all nominees being considered for the 2025 LIBA ballot, after the initial vetting phase has completed and the Beauty Council has deliberated, and will stay open until October 20, 2025.

3.2 There is a ***mandatory*** Nominee Agreement within both of the [PROFILE](#) and [LISTING](#) forms. This is a standard agreement that must be completed to acknowledge a nominee's participation and agreement to terms and conditions of the Long Island Beauty Awards contest and platform usage. **ALL NOMINEES MUST COMPLETE THIS AGREEMENT INDIVIDUALLY.**

3.3 The Profile Form is an amazing tool for the nominees during the voting phase. Each nominee will complete the profile Form with a few questions about themselves or their business, social and website links, photos, as well as links to any other categories you are nominated in. This makes it easy to ask for votes in one place for all categories you are in!

3.4 To help offset the cost of manual data entry, we've implemented a \$19.99 Profile Form fee. Each profile must be manually uploaded to the platform, customized per category. If you'd like your profile duplicated across multiple nominations, we can do that at no extra charge, but must be noted on your profile form. We will not be offering updates after you have submitted the form. This process requires hundreds of hours and external staffing to complete. We've done our best to keep this cost as minimal as possible for our amazing businesses while maintaining the quality and integrity of the awards process.

3.5 If you choose to utilize the profile feature, please follow all submission guidelines carefully. Photo formatting and proper labeling are especially important—submitting your images correctly can make all the difference in creating a standout profile.
