Why is this so different?

WHAT OTHER SAILING MYTHICAL TOURS CAN I FIND?

- In short, none, other than Magical Sunset.
- Some offer academic, long lectured tours, but fall short on the sun drenched sailing experiences.
- Others, offer 'mythical inspired' tours that include visits to ancient sites, but lack the fun and personal interactions with the legend.

WHY IS THIS SO DIFFERENT?

- The ONLY sailing experience that engages travellers to relive ancient tales of Greek gods and heroes, as they sail the Greek islands on a private yacht.
- Through games and stories, the tours offer interactive adventures that allow travellers to immerse themselves in the mythical tale.
- There ISN'T ANYTHING like it in the world.

WHAT MYTHICAL KNOWLEDGE IS REQUIRED?

- None. The tours are designed to inform and create mythical curiosity.
- Fun games are designed to channel anyone's inner Grecian god.

What's on offer?

Unique premium sailing experiences, designed exclusively for your clientele

- The tour(s) designed for you will not be shared with anyone else or any website.
- You can determine the duration, the experiences, the yacht size, budget and mythical exploration your clientele will experience.
- Market as your exclusive product

The hardest question is deciding which of the endless tales and beautiful islands to include in your uniquely curated tours.

Some ideas:

- The island of Naxos and Dionysos the Party God
- The Adventures of Jason and the Argonauts
- Love, Lust and Betrayal of Psyche and Eros
