THE TOUR

Odysseus: I'm Coming Home is the final chapter of Odysseus' homebound journey.

This sailing tour is designed to take you and 5-9 of your friends on a journey like no other... to rare and beautiful locations known only by few throughout the Ionian islands.

These are the same locations our hero, Odysseus, once lived and experienced! You will enjoy immersive experiences that will bring the timeless myth to life and you will live the Greek dream of endless sun and sea!

Who is Odysseus?

Odysseus... a legendary hero who has been lost out at sea, fought one-eyed monsters, challenged the mighty gods, been taken captive by lustful nymphs, travelled to the underworld and after 20 years, he is finally returning home!

But who still remembers him and what new challenges await him to prove he is truly Odysseus, king of Ithaca, and allow him to lay claim to his kingdom?

Are you ready to find out?!

An aerial, top-down view of a white catamaran sailing on clear, turquoise water. The boat's mast and rigging are visible, extending from the center of the vessel. A person in red shorts is standing on the deck near the stern. The water's surface is textured with small waves and ripples, reflecting the bright light.
