

# HUNTERDON COUNTY IDRC - AFFILIATED AGENCIES

You are selecting an agency at which an in-depth assessment will be conducted; the purpose of the assessment is to determine need for substance use treatment. If treatment is recommended, you must follow through with such. Each agency may have additional requirements. Drug/alcohol screening is required at the time of assessment, and at least once monthly during treatment. Failure to comply with any of the IDP/IDRC requirements will result in program non-compliance.

**Any changes in agency must be approved by the IDRC; you must alert us before scheduling!**

The above agencies in Pennsylvania are not affiliated with the IDRC.

These are merely a few suggestions of treatment agency options in some popular areas in Pennsylvania. These agencies provide in-depth assessments and/or have treatment program options that satisfy the requirements of the IDRC program.

If you are looking at a different treatment agency in Pennsylvania that is not listed above, you must get it approved by the IDRC before scheduling/attending your assessment to ensure that your chosen agency meets the requirements of the IDRC program.
