All of our kittens and cats come with a contract. Do you agree to sign a contract? (circle one) Yes No

Where did you hear about us? (Please be specific)

Please tell us anything you would like us to know about you, to help us decide if you are an approved home for one of our fur babies.

Once your application is approved, we can only reserve your Maine Coon kitten or cat upon receiving a non-refundable deposit of \$1,000 which will be applied toward the final purchase price. Kittens and cats with a deposit are marked as "Reserved" in any of our postings or advertisements. Once a kitten or cat is paid in full, it will be listed as "Unavailable or Sold."

By placing a deposit, you acknowledge and agree to our Non-Refundable Deposit Policy.

CastleCoons Maine Coons accepts the following forms of Payment as deposit: Venmo, Apple pay, & Cash app. **No personal checks accepted, no exceptions.** **The remainder balance shall be paid in cash on the date of pickup.**

We do not allow home visits as our cattery is a closed cattery to the public. However, we're happy to share plenty of photos and videos of your kitten or cat in advance, and we can also arrange a FaceTime or Zoom call to connect with you virtually. We love meeting the future owners of our kittens and often arrange for them to pick up their new kitten or cat in a neutral location, allowing us to meet in person. ☺

If you are not local and cannot pick up your kitten or cat, please be prepared to organize and cover the cost of transportation through a hand-carry transport service (such as a flight nanny) if the kitten or cat needs to fly. Please note, we **do not** ship cargo.

CastleCoons reserves the right to refuse or cancel a sale (sales contract) at any time and for any reason before the buyer takes possession of the kitten or cat. If CastleCoons cancels the contract prior to the buyer receiving the kitten or cat, all monies paid towards the purchase will be refunded in full.

Please read and sign

☐ I have completed this application truthfully and fully understand the adoption process
