Magnet clasp is the most popular, available with post-pin and clip styles as well.

Each name tag is \$10.00. Make check out to SMYC and put "name tag" in the notes. Mail check to the address below. Once I have the check, I will place the order. Production turn-around is 7-10 business days. I will call you when the name tags are ready and make arrangement to get them to you. We usually leave them in our Clubhouse on the bulletin board for your pickup.
