

Do You Know Jesus

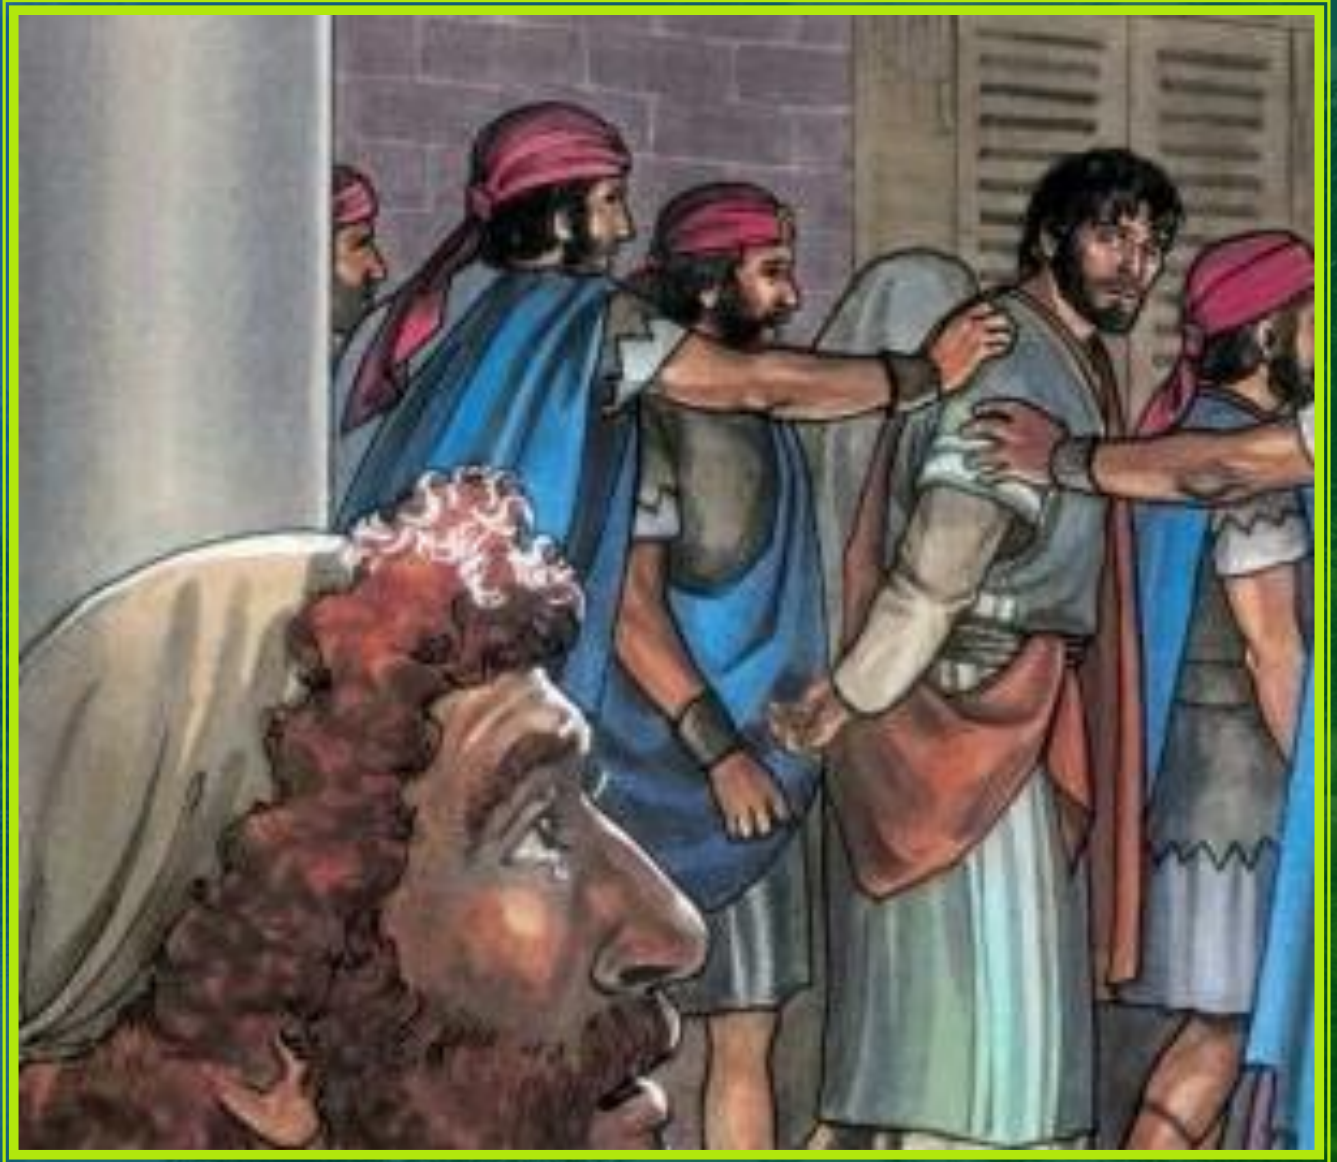

A Sermon by Bishop Andy Lewter

One of the most exciting episodes in the Bible is Peter's denial of Christ

Before we are quick to criticize Peter let's give him credit for being there

His denial was an attempt to disassociate himself from Jesus

Perhaps he
thought that
what they were
doing to Jesus
they would do to
him

○

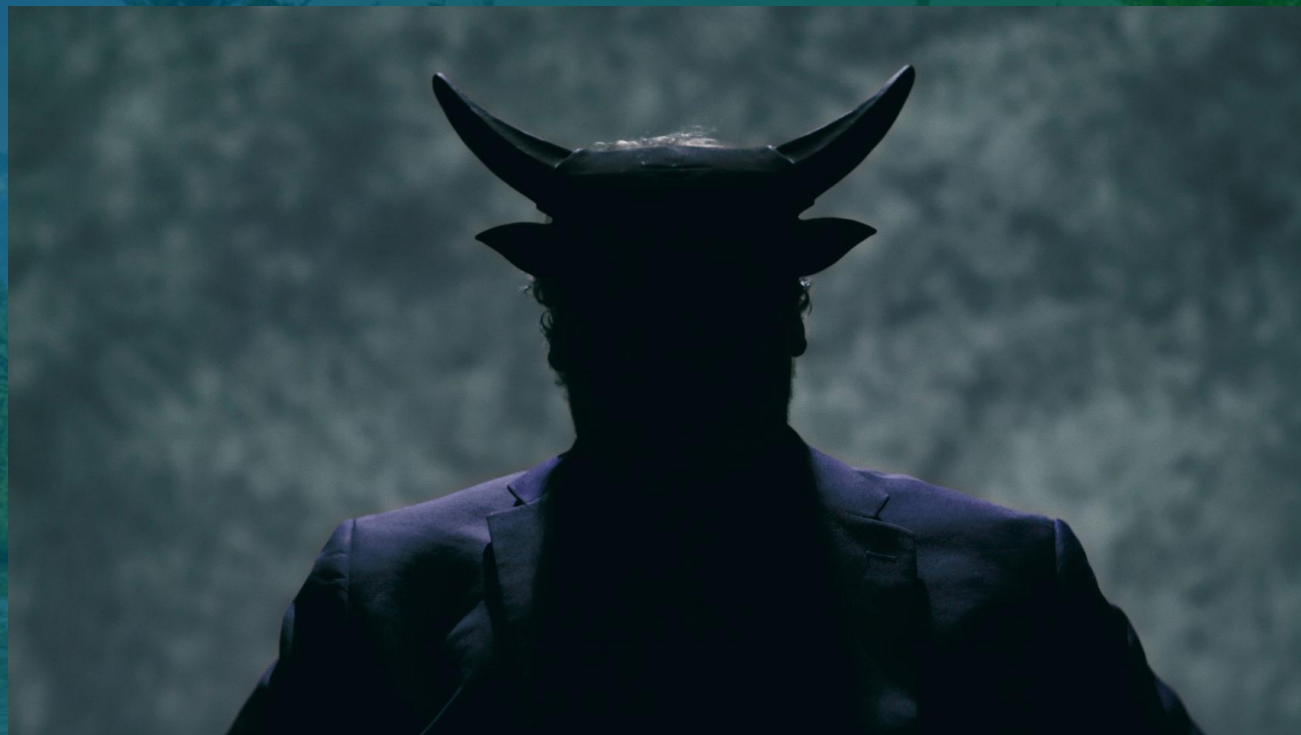

This was
not the
Jesus that
Peter had
come to
know

The crowing
of the
rooster
reminded
Peter that he
knew Jesus

**I imagine that
Satan thought
that he had
Jesus on
"lockdown"**

But Jesus got up from the grave so as
not to disappoint us

The question today is
"Do You Know Jesus"?
